## PRESIDENT'S MESSAGE

Hi all,

Nearly 17,000 first responders including 10 of our members are battling cancers and other diseases linked to 9/11.

During a recent 4-week period we lost 3 retired members of the NYPD and a retired NYS Police Senior Investigator to 9/11 related illnesses. See pages 4 - 6.

As you celebrate the upcoming holiday season, please take the time to say a prayer for a speedy and complete recovery for all the first responders battling 9/11 illnesses.

On December 5, board members will be meeting to place addresses and stamps on envelopes and insert them with dues notices and return envelopes for members who have not paid their 2025 dues by that date.

Board members spend a great deal of time and effort serving our members. Please assist in making their job easier by paying your 2025 prior to December 5.

Dues can be paid via Zelle at [hkatowitz@charlotte10-13.com](mailto:hkatowitz@charlotte10-13.com), or via mail using the dues renewal form on page 61 of this newsletter.

During our November board meeting the board chose the following events to host in 2025.

- Night at the Knights Baseball Game - Saturday, May 3, 2025. (See page 13).
- Jimmy LaRosa Memorial Golf Tournament on May 19, 2025.
- Charlotte Salute To Heroes Hockey Game - date TBD
- Comedy Club - date TBD.

If you have a suggestion for an event that you would like our club to host please bring it to the attention of a board member.

In 2025 seniors will have to pay more for Medicare Part B next year, according to the Centers for Medicare and Medicaid Services (CMS).

The standard monthly premium for Medicare Part B enrollees will rise by \$10.30 to \$185.00 in 2025 from \$174.70 this year, CMS said late Friday. The premium was \$164.90 in 2023. The annual deductible for all Medicare Part B beneficiaries will increase to \$257 from \$240 in 2024. The increases are mainly due to projected costs and usage increases, CMS said.

The jump in the 2025 Medicare Part B premium outpaces both inflation and the Social Security cost-of-living adjustment (COLA). Annual inflation rose 3.2% in October and COLA for 2025 will be 2.5%, or an average of \$50 more per month.

As you may know, \$15 copays for the EmblemHealth-GHI portion of the GHI/Anthem Senior Care Plan were previously suspended by court order. Now, in accordance with a more recent court order, \$15 copays will resume on January 1, 2025. Senior Care members will receive a new ID card before January 1, 2025. (See pg. 14).

**Next Membership Meeting**  
Tuesday, November 12, 2024 6:00 PM at FOP Lodge #9  
1201 Hawthorne Lane, Charlotte

# PRESIDENTS MESSAGE

## National Pearl Harbor Day of Remembrance December 7

A day of infamy, the day Japan attacked the United States at Pearl Harbor, is commemorated with the National Pearl Harbor Day of Remembrance each year on December 7. On that day in 1941, more than 2,400 people died in Japan's attack on the Hawaiian base of America's Pacific Fleet. Hundreds of aircraft were destroyed or damaged, as were most of the ships in the harbor, and thousands of service men and women were killed or injured. It was an unprecedented surprise attack that precipitated the United States entry into WW II as we sided with the Allies and declared war on Japan.

This is what takes place after the tourists have gone for the day. [http://www.youtube.com/embed/MgE2KiPd3xg?feature=player\\_detailpage](http://www.youtube.com/embed/MgE2KiPd3xg?feature=player_detailpage)

During our October membership meeting, Waxhaw police captain Dex Wilson discussed a Town of Waxhaw proposal to move the Waxhaw 9/11 Patriot's Day Ceremony from the Waxhaw Memorial Wall to Police Headquarters.

To gauge how our members felt about this proposal I told him I would conduct a survey of our members. To participate in the survey (especially members who live in Waxhaw) go to: <https://www.surveymonkey.com/r/K8PPRMH>

### Phone Scams

Don't let scammers fool you! Phone scams are more common than ever, and if you're not careful, these calls could lead to costly fees or even stolen personal information. Knowing which area codes are commonly linked to scams can help you avoid falling for these tricks.

### Common Scams Linked to Unknown Area Codes

Phone scams come in many forms, but they all share a similar goal: to get you to hand over your money or personal information. Some common scams include "one-ring" scams, where scammers hang up after one ring, hoping you'll call back and incur hefty international charges. Other scams involve fake prize notifications, urgent "frozen account" alerts, and bogus student loan offers. In each case, scammers create a sense of urgency to make you act quickly, without thinking.

### Area Codes Commonly Used in Scams

Here's a list of area codes frequently used in phone scams. If you don't recognize a number and see one of these area codes, it's best to let the call go to voicemail, and if it's important, they'll leave a message.

809 - Dominican Republic	232 - Sierra Leone	284 - British Virgin Islands	758 - St. Lucia	+92 - Pakistan
473 - Grenada	441 - Bermuda	246 - Barbados	234 - Nigeria	+7 - Russia
876 - Jamaica	649 - Turks and Caicos	868 - Trinidad and Tobago	+91 - India	

### If you accidentally answer a scam call, follow these tips:

- Don't say "yes" right away.
- Avoid feeling pressured to act quickly.
- Confirm the caller's number with the organization they claim to be from.
- Never share sensitive information.
- If you accidentally share personal info, report it to the FTC: at <https://reportfraud.ftc.gov/>
- Lastly, hang up and block confirmed scam numbers.

*On behalf of the entire 10-13 Club Board*

*We Wish You and Your Family*

*A Happy, Healthy and Blessed Holiday Season*

Fidelis Ad Mortem, stay healthy, stay safe!

Fraternally,

*Harvey Katowitz*

# THEY MUST NEVER BE FORGOTTEN

Retired NYPD Detective Kevin Hanley was born on December 13, 1954, in Brooklyn, New York, to James and Veronica (Ronnie) Hanley. He was the youngest of three children. A lifelong lover of music, he sang in a doo-wop and rock-and-roll group called the Gerritsen Beach Boys during his teenage years. Kevin graduated from Sheepshead Bay High School (Class of 1972) and studied mortuary science at the State University of New York – Farmingdale while working at D'Andrea Brothers Funeral Home.

In 1974, Kevin enlisted in the U.S. Navy, beginning a 32-year career of both active and reserve duties. He graduated from Navy Submarine School in New London, Connecticut, and served as a torpedoman's mate 3rd class on several submarines, including the USS Pargo, a Sturgeon-class fast attack submarine, and the USS Will Rogers, a Benjamin Franklin-class ballistic missile submarine. He completed seven patrols during the Cold War before being honorably discharged in 1978.

After his military service, Kevin followed in his father's footsteps by joining International Brotherhood of Teamsters Local 807, working as a truck driver for Martinson Coffee. Later, he became a shop steward, supervising the hiring halls at the New York Coliseum and Javits Center. In 1983, Local 807 awarded him Shop Steward of the Year. That same year, Kevin married Florence (née Horan), whom he met at the Baron DeKalb on Emmons Avenue. In 1983, Kevin and Florence welcomed their first son, James. In the years that followed, Kevin and Florence had two more children: Florence, born in 1984, and Patrick, born in 1987.

In 1988, Kevin shifted his career path and joined the New York City Transit Police, where he served in District 34 (Coney Island) and District 2 (Lower Manhattan) as a uniformed patrol officer and plain clothes anti-crime officer. In 1993, Kevin received the Cop of the Month Award for a fire rescue. Kevin continued his patrol career in the 70th Precinct where he received a commendation for apprehending a serial robber while disarming the perpetrator who was armed with an uzi submachine gun without firing a round. After his assigning in the 70th Precinct, Kevin was promoted to detective. As a detective, Kevin worked in the Office of the Chief Medical Examiner, the 123rd Precinct Squad, the Intelligence Bureau, and the Hostage Negotiation Team, investigating homicides, robberies, and assaults. During his NYPD career, Kevin was a 9/11 first-responder. Following his retirement from the NYPD in 2008, Kevin joined the United States Secret Service as Special Officer primarily responsible for dignitary protection service. Kevin served with the Secret Service for 10 years retiring in 2019.

While serving in the NYPD, Kevin re-enlisted in the U.S. Navy Reserve as an Intelligence Specialist. Kevin was deployed to Saudi Arabia as the Combat Air Intelligence Operations Control Chief, enforcing a no-fly zone during Operation Southern Watch, for which he earned the Joint Service Commendation Medal. In 2005, Kevin deployed to Joint Task Force Guantanamo Bay, Cuba, as the Assistant Officer in Charge of the Interrogation Control Element during Operation Iraqi Freedom. After nearly two years there, he received his second Joint Service Commendation Medal. Kevin's final deployment was a year-long mission in Afghanistan during Operation Enduring Freedom, where he held the rank of Lieutenant as an intelligence specialist and interrogator at the International Security Assistance Force headquarters. He worked with the Defense Intelligence Agency and Navy Intelligence to target threat finance cells, serving as the Assistant Officer in Charge of the Afghan Threat Finance Cell operations in Qatar. For his service, he was awarded the Defense Meritorious Service Medal.

After retiring from the NYPD, Secret Service, and U.S. Navy, Kevin pursued a degree from the American Academy McAllister Institute for Funeral Service in Manhattan and subsequently worked in the funeral industry.

Kevin enjoyed reading, particularly history and biographies, debating, and spending time with his family, especially if he was singing. Kevin often joined his dear friend Jay Black (Jay and the Americans) on tours in the 1990s and occasionally took the stage to sing and play the bongos.

Kevin is survived by his beloved wife of 41 years, Florence (his "Cara Mia"); his children James and Florence; his daughter-in-law Christine; and grandchildren Priscilla, Christa, Patrick, Brendan, Liam, and Ava. He was predeceased by his son Patrick, his brother James, and his sister Anne Murphy.

Kevin was a proud veteran and law enforcement first responder. In lieu of sending flowers, please consider making a contribution to the Tunnel To Towers Foundation in Kevin's memory: <https://t2t.org/wp-content/uploads/2022/04/In-Memory-of-Online-Form-Interactive-Online-Form.pdf>

Senior Investigator

## John L. Carey

John L. Carey, a retired senior investigator with the New York State Police, died of a 9/11-related illness stemming from his work in and around the World Trade Center site following the September 11, 2001 attacks.

Carey, who was last assigned to Troop G, Forensic Investigation Unit, had been assigned to work at ground zero after the 9/11 attacks on the World Trade Center towers. He had served with the department for 32 years, retiring in July 2014.

Carey, of Amsterdam in the Capital Region, was a husband, father and grandfather.

A proud Brooklyn native, Carey spent much of his childhood in Saratoga County. He attended Eisenhower College in Seneca Falls, where he majored in music and met his future wife, Christine.

Carey graduated from the New York State Police Academy in 1983. He later joined the Troop G Forensic Identification Unit, which he led until he retired in 2014.

To fight his cancer, Carey had an esophagectomy — a procedure that removes some or all of the esophagus — in August. He never recovered from the surgery, his obituary said, and died Oct. 24 after a long battle.

“He devoted his life to protecting the community and his commitment to the New York State Police will always be remembered,” troopers wrote in a statement.

He is survived by his wife and four children.

**Sickness & Distress:** Club member Ron Hearle's cancer relapsed in July, and he has been through hell with chemo and transfusions. He has not been home since July 24<sup>th</sup> and spent 16 days in the ICU last month. He is presently in a rehab facility in Mass.

**Guest Speaker:** Samantha Gordon, McIntyre Elder Law discussed estate planning.

**Communications and Correspondence:**

- Last month we received a donation of \$200 from the Jersey Shore 10-13 Club to help residents of NC affected by Hurricane Helene. Our club added \$300 to this donation and sent a \$250 check to two Transylvania County law enforcement officers whose homes were severely damaged by the hurricane. Thank you letter from Charles Wright, Transylvania CO. Sheriff's Office. I received your letter and check today. I wanted to reach out and express my sincere gratitude as my family and I move past this devastating time in our lives.
- The Fall 2024 Annual Health Benefits Program Transfer Period for Retirees is **November 1, 2024, and ends November 30, 2024**. Health plan changes requested during the Transfer Period will be effective January 1, 2025. Visit NYC OLR Health Benefits Program for additional information regarding the Transfer Period.
- City Council Member Christopher Marte introduced legislation that would prevent city officials from instituting wholesale changes to the retirees' health plans. The New York City Council - File #: Int 1096-2024: <https://legistar.council.nyc.gov/LegislationDetail.aspx?ID=6902538&GUID=935D7515-AC4A-4DA1-B73F-DD1C0F0F4582&Options=ID%7CText%7C&Search=>
- This bill would amend the Administrative Code to preserve health care choice for retirees from city service. The bill provides that the City must offer Medicare-eligible City retirees and their Medicare-eligible dependents at least one Medigap plan with benefits equivalent to or better than those available to City retirees and their dependents as of December 31, 2021.
- As a result of the Inflation Reduction Act that was enacted in Aug. 2022, all employers must meet the criteria set by the act. The SOC's existing plan for Medicare eligible retirees does not meet the criteria being mandated in 2025. Effective January 1, 2025, the SOC is replacing its current drug coverage for all Medicare Eligible members and their Medicare Eligible dependents to an OptumRx Employer Group Waiver Plan (EGWP). An EGWP is a Medicare Part D plan designed for Medicare Eligible retirees and meets the criteria set by the Inflation Reduction Act. Drug benefits will continue to be administered under OptumRX as a Medicare Part D, but the plan is customized to fit the SOC's specific requirements. The plan will match or enhance the existing drug benefits. Under the new plan you are no longer required to fill your prescriptions that are for more than 60 days via mail order.

When our Club was initially formed with 35 members it was easy for our club President to respond to emails from our members. Now that we have over 400 members, the task has become a full-time job and difficult for him to do in a timely manner. To alleviate this problem our trustees have been assigned to designated geographical areas. If you have a question, problem or concern, please correspond with your designated trustee.

**World Trade Center (WTC) Health Program/CDC Museum’s “Health Effects of 9/11” Exhibition Now Open at the Flight 93 National Memorial through May 31, 2025.**

**The World Trade Center (WTC) Health Program/CDC Museum’s “Health Effects of 9/11” exhibition opened at the Plan Your Visit - Flight 93 National Memorial (U.S. National Park Service). <https://www.nps.gov/flni/planyourvisit/index.htm>**

The exhibition, on view through May 2025, offers Memorial visitors an opportunity to learn about 9/11’s ongoing health consequences through moving visuals and firsthand stories of healing and resilience.

The Program collaborated with the CDC Museum and the 9/11 community to develop this exhibition, which serves as a vital educational tool to raise awareness about lingering health effects linked to 9/11 exposures. A version of the exhibition was most recently featured at the CDC Museum earlier this year. Decades after 9/11, over 84,000 people have physical and mental health conditions related to their exposure to dust, smoke, debris, and the traumatic events.

“As the World Trade Center Health Program continues our mission to provide compassionate medical care and treatment to our over 127,000 members who were impacted by 9/11, we draw inspiration from the resilience of the brave community of 9/11 responders and survivors we are privileged to help heal,” said Captain Lisa Delaney, Director of the WTC Health Program. “The Program thanks our partners at the Flight 93 National Memorial for sharing this important exhibition with their visitors, which helps us reach more survivors and responders around the country in need of and deserving of care.”

The traveling exhibition features:

- 9/11 responder and survivor stories, images, and experiences,
- information on 9/11 exposures and the emergence of World Trade Center-related health conditions,
- the events and advocacy that established the World Trade Center Health Program,
- research achievements that have led to improvements in medical treatment and ,
- a video of Program member testimonials, illustrations, and compelling photographs.

## The Need for Legislation Explained

After years of efforts by 9/11 responders and survivors to get Washington to recognize the health impacts of the toxins at Ground Zero that were affecting thousands, the World Trade Center Health Program was finally created by Congress in 2010 and was reauthorized in 2015, to remain open until 2090.

The World Trade Center Health Program (WTCHP) currently provides medical treatment and monitoring for over 132,000 9/11 responders and survivors from the World Trade Center and lower Manhattan, the Pentagon, and the Shanksville crash site, who live in [every State](#) and [434 out of 435 Congressional Districts](#).

However, because of increasing medical costs and increasing numbers of ill responders and survivors coming forward the funding formula for the World Trade Center Health Program will not provide enough funds to cover all the care that is needed for those still suffering the physical and mental impact of 9/11. This includes the responders and survivors who will be newly diagnosed with 9/11-associated cancers caused by their toxic exposures in the coming years.

Also as is evident from recent studies, such as the recent [paper that reports potentially increased levels of dementia in 9/11 responders](#), more research needs to be funded into the impact of the toxins at Ground Zero.

Unless action is taken to deal with the impending budget shortfall, the World Trade Center Health Program will be facing service cuts to 9/11 responders and survivors unless Congress acts and provides the needed funding.

For example, if no action is taken it is likely that the program would have to start limiting new responders and survivors who may be stricken with 9/11 cancers from enrolling in the program starting in October of 2027 because of the program deficit, with cuts in services to members of the program in the years after that.

There have been efforts in Congress to resolve this issue and get the program the funding it needs. First, with an additional billion dollars of funding that was provided in the 2022 Omnibus spending bill, through the efforts of Senators Gillibrand and Schumer.

And again, in July of 2023, when Senators Gillibrand, Schumer were joined by Senator Mike Braun of (R-IN) in an amendment to the National Defense Authorization Act (NDAA) that provided an additional \$444 million in funding for the program and corrected the problem that some Pentagon and Shanksville responders, including those that were active-duty Military could not join the Health Program.

While these efforts did postpone the date that service cuts would go into effect by several years, Congress will still need to provide additional funds to stop the cuts to services and ensure that the World Trade Center Health Program is fully funded and able to provide its care to injured and ill 9/11 responders and survivors.

## 9/11 Responder and Survivor Health Funding Correction Act of 2024

To fix this problem Senators Kirsten Gillibrand (D-NY) and Charles Schumer (D-NY), Robert Casey (D-PA), Mark Warner (D-VA), Tim Kaine (D-VA), Mike Braun (R-IN), along with Members of Congress Andrew Garbarino (R-NY), Jerrold Nadler (D-NY), Anthony D'Esposito (R-NY), Dan Goldman (D-NY) along with other members, introduced new bi-partisan legislation, the 9/11 Responder and Survivor Health Funding Correction Act of 2024 HR..9101/S. 4724.

1. This legislation would:
2. Provide funding to prevent cuts in services and deal with the program's projected budget deficit over the next ten years.
3. Fix funding formula after FY2034 to ensure adequate funding in the future for the life of program until it expires in 2090.
4. Increase funding for research and data collection on 9/11 conditions.
5. Make certain technical corrections to the current statute.
6. Its cost is fully paid for.

This legislation is needed to ensure that the slogan that we will never forget 9/11 is a reality and that 9/11 responders and survivors will continue to get the care that they need and deserve. This legislation will permanently address the projected funding shortfall and ensure that the World Trade Center Health Program will be fully funded going forward.

Please join us in making sure your representative in the House or the Senate is a co-sponsor of the bill. You can check if your member of Congress is on the bill by going to our "Take Action" page: <https://www.renew911health.org/fully-fund-911-health/>, type in your address and see if your Representative is on the bill.

## HELPS Federal Tax Break for Retired Police, Fire and EMS Personnel

JAMES MCNAMEE / ILLINOIS PUBLIC PENSION FUND ASSOCIATION PRESIDENT AND RETIRED LAW ENFORCEMENT OFFICER

Retired law enforcement, fire and emergency medical services (EMS) personnel may reduce their taxable earnings by up to \$3,000 for medical insurance premiums paid during a calendar year. This is allowable under the Healthcare Enhancement for Local Public Safety Retirees Act, or the HELPS Retirees Act.

Previously, there was a requirement that the premium had to be deducted from the retiree's pension check in order to qualify for HELPS deduction. That is no longer the case following the 2022 adoption of the Secure 2.0 retirement law. Premiums paid directly for health, accident or long-term care insurance now qualify for the benefit.

The \$3,000 reduction does not appear on the annual 1099-R form that is sent out by a pension fund. The retiree must claim the reduction on his or her personal 1040 tax form on line 5b or similar adjustment. Instructions on claiming the reduction are included on page 6 in the 2023 version of IRS Publication 575: Pension and Annuity Income (see [irs.gov/pub/irs-pdf/p575.pdf](https://irs.gov/pub/irs-pdf/p575.pdf)). This page reference may change in 2024 or future editions. The section of the publication that deals with the HELPS credit is reprinted at the end of this article.

As noted in the IRS publication, a retiree may not use this credit for income that is already excluded from taxation. So if a retired officer gets their medical coverage through a new employer or their spouse's employer plan, that premium deduction is likely excluded from income, so no HELPS reduction would be allowed. Likewise, if a retiree is self-employed and takes a Schedule C or similar deduction for medical coverage, then the HELPS credit cannot be used.

It is recommended that pensioners consult with their tax preparer to properly claim the reduction.

Note that married couples where both the parties are retired police, fire or EMS may take a reduction in income of up to \$6,000. Finally, the HELPS tax break is not available to surviving spouses of retired or active law enforcement.

The existence of this tax break is not well known, and your National FOP does not want it going unused by any retired law enforcement officer or other qualified public safety professional.

**The existence of this tax break is not well known, and your National FOP does not want it going unused by any retired law enforcement officer.**

Below is a reprint of the section of IRS Publication 575 (2023 version) that discusses insurance premiums for retired public safety officers.

### Insurance Premiums for Retired Public Safety Officers

If you are an eligible retired public safety officer (law enforcement officer, firefighter, chaplain, or member of a rescue squad or ambulance crew who is retired because of disability or because

you reached normal retirement age), you can elect to exclude from income distributions made from your eligible retirement plan that are used to pay the premiums for coverage by an accident or health plan or a long-term care insurance contract. The premiums can be for coverage for you, your spouse, or dependents.

The distribution must be from the plan maintained by the employer from which you retired as a public safety officer. The distribution can be made directly from the plan to the provider of the accident or health plan or long-term care insurance contract, or the distribution can be made to you to pay to the provider of the accident or health plan or long-term care insurance contract.

You can exclude from income the smaller of the amount of the insurance premiums or \$3,000. You can make this election only for amounts that would otherwise be included in your income. The amount excluded from your income can't be used to claim a medical expense deduction.

An eligible retirement plan is a governmental plan that is a:

- Qualified trust,
- Section 403(a) plan,
- Section 403(b) annuity, or
- Section 457(b) plan.

If you make this election, reduce the otherwise taxable amount of your pension or annuity by the amount excluded. The amount shown in box 2a of Form 1099-R doesn't reflect this exclusion. Report your total distributions on Form 1040, 1040-SR, or 1040-NR, line 5a. Report the taxable amount on Form 1040, 1040-SR, or 1040-NR, line 5b. Enter "PSO" next to the appropriate line on which you report the taxable amount.

If you are retired on disability and reporting your disability pension on Form 1040, 1040-SR, or 1040-NR, line 1h, include only the taxable amount on that line and enter "PSO" and the amount excluded on the dotted line next to the applicable line. **FOP**

## LEGACY OF SERVICE

NYPD Sergeants have always been the most visible frontline supervisors in the world. Because of their widespread presence, many members of the public do not even realize there is a higher rank. Sergeants respond to all unusual incidents, working alongside the officers under their direct supervision.

Their roles are deeply ingrained in historical lore. They are known as street-savvy supervisors, wizened desk officers or those equipped with the immense knowledge to tackle any problem. Asking the Sergeant to respond to a particular incident means it warrants more than the usual actions.

The role of the NYPD Sergeant today is as integral to public safety as it was back in 1907, when Sgt. Richard E. Enright was elected the first SBA President before going on to become the New York City Police Commissioner.

"They must match their wits against the cunning of the crook as well as the smug hypocrisy of pious violators of the law," he said, as reported in the New York Times, "They must face the clamor of the mob and the misunderstanding of the press. To do it all they must have something within them that money cannot buy, that gives them courage not to falter even when the black finger of falsehood and malice is pointed at them. There is nothing of the mollycoddle about the New York Police Sergeant."

## Defining Moments

### 1920s –1933: The Volstead Act

The Roaring '20s is best defined by the Volstead Act, which prohibited the manufacture, transport and sale of alcohol. This extremely violent time period is known as Prohibition, during which 94 Police Officers, including Sgts. Benjamin Cantor, Joseph Weekesser, James Barry, William O'Shaughnessy, Timothy Murphy, Theodore Werdann and Eugene Monahan lose their lives in the performance of their duties. From a statistical standpoint, this era was considered more violent than the crack-plagued 1980s.

New York City's population increases to nearly 7 million, and it is known as the manufacturing, commercial and cultural capital of the world. The city is responsible for 1/12 of all manufacturing in the nation in 1923. Automobiles and motorcycles became standard modes of patrol, and in 1929 the first police airplane pursuit takes place.

### 1930s – 1940s: Stock Market Crash

The stock market crash of October 1929 plunges the country into the Great Depression. The Emergency Service Unit is created in 1930. A formal Radio Motor Patrol system is established, and the first message is transmitted from Headquarters in 1932. By decade's end, 2-way radios are installed in all police automobiles. Fiorello H. LaGuardia is elected mayor in 1934, and he oversees the first "wiring up" of an undercover officer.

Two Bomb Squad Detectives are killed while investigating an explosive device at the 1940 World's Fair, and a year later the United States enters World War II. Scores of Police Officers serve overseas in the military, and the industrial war efforts at home bring the country out of the Depression. Sgts. George Nadler, David Kilpatrick, Matthew McCormick and Isaac Price make the ultimate sacrifice.

### 1950s – 1960s: Anti-Communist Red Scare

The 1950s begin with the anti-communist Red Scare, but by the end the Beat Generation begins openly questioning authority, leading to the counter-cultural movement of the 1960s. The first Civilian Complaint Review Board is established in 1952. Harold Melnick is elected President of the SBA in 1961. Under his leadership, Police Officers receive salary increases and previously non-existent overtime pay, health plans and other benefits.

The 1964 Civil Rights Act brings great social changes. Lloyd Sealy becomes the first African American Precinct Commander. The Vietnam War, as well as the assassinations of U.S. President John F. Kennedy, his brother, Senator Robert Kennedy, and Civil Rights Leaders Dr. Martin Luther King and Malcolm X, creates tremendous social unrest. One of law enforcement's greatest innovations, the 911 system, is implemented in New York in 1969.

## 1970s – 1980s: World Trade Center Completed/NYC Teeters on Bankruptcy

Despite the fact that the twin towers of the World Trade Center are completed in 1970, New York City teeters on the verge of bankruptcy. The official rank of Police Officer replaces the designations of “Patrolman” and “Policewoman” in 1973. Social upheaval in the 1970s results in the murder of many Police Officers, including Sgts. Henry Tustin Jr., Joseph Marabito and Frederick Reddy.

The violence of the ‘70s is exacerbated by the 1980s crack epidemic, which produces a tremendous increase in violent crime. Among the many police casualties is PO Edward Byrne, who is assassinated by drug barons while guarding a witness in Queens, POs Mike Buczek and Chris Hoban, who are shot and killed just hours apart in uptown Manhattan, and Sgt. John McCormick of Bronx Narcotics, who was fatally wounded by gunfire while executing a search warrant in April 1988.

## 1990s – 2001: NYC Murder Rate Trending Downward

The 1990s begins with over 2,000 murders per year. The crime trend was reversed in 1994. Compstat was introduced and NYPD was transformed from a reactive to proactive department, resulting in immediate decreases in all crime categories. The former Housing and Transit Police Departments were merged with the NYPD in 1995.

Islamic terrorists attempted to topple the World Trade Center with a truck bomb in February 1993. Eight years later, on September 11, 2001, terrorists hijack 3 airliners and fly them into the World Trade Center and the Pentagon, while a fourth plane is hijacked but then commandeered by passengers and crashes in a Pennsylvania field. Nearly 3,000 people are killed, prompting the Global War on Terrorism that continues to this day.

## 2001 – 2010

On the morning of September 11, 2001, nineteen Islamic terrorists hijack 4 airliners. Two of the planes are flown into the north and south towers of the World Trade Center in New York, while another crashed into the Pentagon in Washington, DC, and the fourth plane, believed to be headed to the White House, was commandeered by brave passengers and crashed in an empty field in Shanksville, Pennsylvania.

Nearly 3,000 people are killed, including 343 FDNY members, 37 Port Authority Police Department members, and 23 NYPD members, Among the NYPD casualties are Sgts John G. Coughlin, Michael S. Curtin, Rodney C. Gillis, and Timothy A. Roy.

## 2010 – Present – Law Enforcement Under Fire

Despite its universally recognized success at making New York the safest large city in America, the NYPD, as well as police departments throughout the nation, comes under fire as rampant anti-police sentiment sweeps the nation in the late 2010s.

Revised legal policies under the guise of “reforms” results in dramatic increases in crime and all-out attacks on law enforcement personnel. Among the casualties is Sgt. Paul J. Tuozzolo of the 43 Precinct, who is shot and killed while attempting to arrest a domestic abuser in November 2016.

## North Carolina Concealed Handguns Reciprocity

Since 1995, North Carolina has allowed qualifying residents of the state to obtain a permit to carry a concealed handgun from the sheriff of the applicant's home county. The permit is valid for five years unless it is revoked. Please go to <https://ncdoj.gov/download/98/concealed-carry-handgun/16346/firearms-publication-november-2018> for a list of "Do's and Don'ts" for carrying a concealed handgun in North Carolina. This information is designed as a reference guide only and should not be relied upon as legal advice.

### Other States' Permits Honored Here

Effective December 1, 2011, North Carolina automatically recognizes concealed carry permits issued in any other state. Out-of-state permit holders should familiarize themselves with North Carolina's laws.

### For example, in North Carolina, concealed handguns may not be carried:

- In law enforcement or correctional facilities such as a prison.
- In any space occupied by state or federal employees, including state and federal courthouses.
- In schools or on school grounds.\*
- In areas of assemblies, parades, funerals or demonstrations.\*\*
- In any place where alcoholic beverages are sold and consumed (such as some restaurants) the premises are posted as prohibited.
- In any area where concealed handguns are prohibited by federal law.
- In any place of business that has posted a sign banning concealed weapons on its premises.
- By any person while consuming alcohol or while under the influence of alcohol or any controlled substances (unless obtained legally and taken as directed by a physician).

\*Effective October 1, 2013, unless prohibited by a private school, a concealed handgun permittee may store a handgun in the person's locked vehicle or in a locked container securely fixed to the person's vehicle while on campus. It may NOT be carried on the person.

\*\*Effective October 1, 2013, unless posted as being prohibited, a concealed handgun permittee may possess a concealed handgun while at a parade or funeral. For more information on these exceptions see House Bill 937, Session Law 2013-369, North Carolina Firearms Laws, <https://ncdoj.gov/download/98/concealed-carry-handgun/16346/firearms-publication-november-2018> and our chart: <https://ncdoj.gov/download/16/general-information/15406/concealed-carry-chart-october-2013> showing where concealed handguns cannot be carried in North Carolina.

### To possess a concealed handgun in North Carolina, you must:

- Carry your permit and a valid form of identification with you at all times.
- Disclose the fact that you have a valid concealed handgun permit when you are approached or addressed by any law enforcement officer in North Carolina.
- Inform the officer that you are in possession of a concealed handgun.

Present both the permit and valid identification at the request of an officer NOTE: You should not attempt to display either your weapon or your permit unless directed to by an officer.

### Permits Honored in Other States

Permit holders should know that while they can legally carry a concealed handgun while visiting these states, they're subject to the laws of the state they are visiting and are responsible for learning about those laws.

## NYPD ID CARD RENEWAL

For those members that reside locally, the ID card Section (646-610-5150) is now on 2<sup>nd</sup> floor at One Police Plaza, opposite the Operations Unit.

They will only renew a retiree ID card that has less than 3 months before expiration date or already expired. Please do not go at the end of month when it is crowded due to numerous active MOS retiring. Using the above number, call beforehand to make sure there is no promotion on the day you are going because it can get crowded and active will have priority.

For those out of state members, please follow the instructions when mailing in ID cards. I have received ID cards mailed to me using regular first-class mail. The issue with this is that it is not tracked and, therefore, not guaranteed that I will receive it. The Priority Mail procedure provides a tracking number so that the ID card can be accounted for throughout the entire mailing process.

If your ID card is lost or stolen, you must make a police report with your local precinct or police department for lost or stolen property and a copy of the report must accompany the ID card application. The application will not be processed without a report.

The NYPD card section uses the photo that has been in their system since November of 2002. If your ID card was issued prior to this period, you will have to appear at the ID Card Section in person to take a new photo. You cannot send in a passport photo or a jpeg file photo to update the picture.

ONLY cards issued after November 1, 2002, can be renewed this way. In all other circumstances, members will have to personally visit 1 P.P.

### **Renewal of Transit ID card that is expired or nearing expiration.**

The following procedure for ID Card renewal is to be followed for pre-merger retired Transit and Housing PD that live out of State. RSA members should no longer send their ID card renewals to the RSA ID Card Desk. The below guidelines only apply to Transit and Housing ID Card renewals.

For the retirees that live out of state, the members can email a copy of their driver's license and ID card and in the body of the email they can put their name, address, and a phone number where they can be reached. Also, the member needs to attach a digital photo (jpg file) of themselves from the waist up in front of a red or a neutral-colored background (please no hats or sunglasses).

If you have any questions regarding this procedure, call the NYPD Transit Bureau Personnel Unit at 1-718-610-4660 and they will be more than happy to walk through the process. Their email address is TBHQPERSONNEL@NYPD.ORG. Police Officer George Bazile is the contact person for retiree ID cards.

### **HR 218/LEOSA QUALIFICATIONS**

Regarding HR218/LEOSA qualifications, if your ID card does not have an expiration date, it does qualify as a valid ID card under the provisions of the laws. Unless you want to get a current photo on your ID card, you are not required to do so to satisfy the qualification. Also remember that some out-of-state police departments that do the qualifications will require a current ID card so make sure that you check your expiration dates.

A completed PD form MUST accompany the card. The form is on the accompanying page of this procedure and can be downloaded from our website: [nationalnycpd10-13.org](http://nationalnycpd10-13.org) or the individual club's website.

Additionally, ID card expiration date will be increased from 5 to 8 years.

**If your card has no expiration date, you do not need to have a new card issued. Your card is perpetually current- Keep it.**

To ensure security in the transfer of cards to and from our members the following procedure MUST be adhered to: Items **MUST** be sent to the National in a USPS Flat Rate Priority Mail envelope. You will receive a tracking number from the post office. **DO NOT REQUEST SIGNATURE OF RECIPIENT.** The postage is **\$9.90**.

Place in the envelope: your PD ID card, the completed PD Form, and a check in the amount of **\$9.90** made out to National 10-13 (to cover the cost of priority mail return of your new card).

Address to:  
National 10-13  
ID Card Desk  
392 Colon Avenue  
Staten Island N.Y. 10308

You can contact Larry Kelly at [lkelly.rsa@gmail.com](mailto:lkelly.rsa@gmail.com).  
Please allow for up to a 30-day turnaround time.  
Please, do not deviate from the above instructions.

Dear CEA member:

In order to better serve our retired members, especially our Medicare aged members, the CEA, in partnership with the LBA and the SOC, has recently hired a consultant to intervene on our members behalf who are having difficulty receiving information, direction or a response from the NYC Office of Labor Relations – Retiree Health Benefits Section. Our members should be aware that the NYC-OLR Retiree Health Benefits Section is responsible for coordinating the health benefits for every NYC retiree and their dependents. This is a herculean task and results in a tremendous volume of requests for information and assistance from the Retiree Health Benefits staff.

To help expedite our retired members in receiving assistance and in rectifying their issue(s) regarding health insurance matters we have retained the services and expertise of Artie Altberger. Prior to retiring, Artie had worked in the Retiree Health Benefits section for several years. While actively employed at the Retiree Health Benefits section Artie always went above and beyond to assist our members.

Many of the issues that our retired members have in connection with the Retiree Health Benefits Section can be multi-layered and complicated requiring the direct intervention of someone familiar with the different departments within the Health Benefits Section.

CEA staff can still assist you with general Retiree Health Benefit questions, i.e. when and what can be done during the Open Enrollment Period, when are members allowed to change their health insurance coverage outside of the Open Enrollment period, how do members enroll to receive the Medicare Part B Rebate, when and how do members apply for the Income Related Monthly Adjustment Amount (IRMAA), etc.

If you need the assistance of Artie Altberger, please contact the CEA at 212-791-8292, or Frank Sorensen, CEA retiree representative, at [CEAretiree@nypdcea.com](mailto:CEAretiree@nypdcea.com)

**RETIREE HEALTH BENEFITS** Due to an extensive reengineering in 2008, of the services provided by the Superior Officers Council Health and Welfare Fund, the benefits afforded to retirees connected with prescription, dental and optical coverage are almost equivalent to your Active benefits. The following is a simple synopsis of your Retiree benefits:

**Prescriptions:** Retirees have an annual \$50 family deductible for prescriptions; the first \$50 dollars in prescription costs are paid by the member and then the prescription benefits provided by the SOC go into effect; you pay 5% for generic medications and 35% for brand name medications. Retirees must also pay an annual Rider to provide prescription coverage to their eligible dependents. The Eligible Dependent Prescription Rider costs are as follows: One (1) Child = \$144 Two (2) Children = \$216 Three (3) Children = \$288 Retirees have an annual prescription cost cap towards medications. \$7,000 individual or a total of \$10,000 per family.

**Dental:** Dental benefits remain the same as when you were an Active member. However, there is a difference in the monthly premium cost if you are enrolled in the HeathPlex Buy-Up plan. Retirees pay \$39 dollars a month (automatically deducted each month from your Pension payment); this is \$10 dollars less a month than Active members.

**Optical:** Effective August 1, 2016, Davis Vision is the exclusive provider for your vision care needs. This is a paperless benefit, the Superior Officers Council will no longer be issuing paper vouchers or providing cash reimbursements for the optical benefit. The SOC also announced that retirees are now eligible to participate in the optical plan every year; as opposed to every two years. As opposed to Active members, Retirees have the following co-pays associated with the optical benefit:

Basic Co-Payments: In-Network providers within New York State (Client Code# 2162): • \$25 for Exam

\*\*If you schedule an appointment to visit a Davis Vision / Visionworks location after already having seen an optometrist and receiving a lens prescription to present at Davis Vision / Visionworks the \$25 exam fee is waived\*\*

**HEALTH BENEFITS CEASE UPON DEMISE OF THE MEMBER:** Many of our members are not aware that upon their passing, their spouse's / domestic partner's and eligible dependents health coverage ceases. The survivor's and eligible dependent's Health Benefits, both **major medical and benefits provided by the Superior Officers Council, cease** with the passing of the Member. However, the survivor (Spouse/Domestic Partner) may apply for "COBRA for Life" Coverage through the City of New York. If you are the spouse/ domestic partner of a member who has passed away, you have the right to continue coverage under any of the available NYC health benefits plans. Furthermore, effective November 13, 2001, New York State law provides that surviving spouses of retired uniformed members of the New York City Police and Fire Departments can continue their health benefits coverage for life. Such coverage will be at a premium of 102% of the group rate and must be elected within one (1) year of the date of the death of the member. [Contact the NYC Retiree Health Benefits Section, in writing, to obtain an application; NYC Retiree Health Benefits Section, Attn: COBRA for Life, 22 Cortlandt Street, 12<sup>th</sup> Floor, New York, NY 10007. Or, you can email Ms. Judith Francis at, \[Judith.Francis@OLR.NYC.gov\]\(mailto:Judith.Francis@OLR.NYC.gov\), make sure to include the decedent's name, last six digits of the decedent's Social Security Number and attach a copy of the decedent's death certificate to the email. You must notify the NYC Retiree Health Benefits Section if you are planning to move in the near future or if you are in fact moving so that they send the application to your proper address.](#)

**NOTE:** The surviving spouse / domestic partner of a retiree who had received an Accident Disability Pension should be cognizant of the fact that if the cause of the retiree's death is directly attributable to the condition for which they received the Accident Disability (i.e. retired on the Heart Bill and died from a heart attack), their surviving spouse / domestic partner may be eligible to continue receiving the deceased member's Major Medical and SOC benefits at no cost.

**SOC DEATH BENEFIT** - In December of 2009, the Trustees of the Superior Officers Council (SOC) discontinued the \$5000 Death Benefit for all **new retirees effective January 1, 2010**. The SOC Health and Welfare Fund now provides the Surviving Spouse/Dependent(s) SOC Health and Welfare Fund Benefit (COBRA) to retirees. This benefit is provided to the deceased retired member's qualified dependents (defined below) and includes prescription, optical and dental coverage. **This coverage does not pertain to Major Medical Coverage, i.e., GHI, HIP, etc.** The coverage is provided for **three years at no cost** to the surviving spouse/dependent(s) and gives the survivors the added option of continuing the benefits indefinitely for a premium.

If you retired between **January 1, 1971, and December 31, 2009**, you were offered the choice to convert the \$5000 Death Benefit during a **One-Time Enrollment Period** to a new benefit, the Surviving Spouse/Dependent(s) SOC Health and Welfare Fund Benefit. If you opted to retain the \$5,000 SOC Death Benefit, your named beneficiary(s) are entitled to this amount.

Welcome to the Superior Officers Council website for the City of New York Police Department. Our website is exclusively for the members of the NYPD Captains Endowment Association and the NYPD Lieutenants Benevolent Association. Over the last decade, substantial changes have taken place to our Health and Welfare Fund. The Trustees of the Superior Officers Council Health and Welfare Fund hope this website will assist you and your family in navigating the benefits available to you. We urge you to review the website's content carefully so you will become familiar with your benefits, rights, and obligations related to the Fund. <https://nypdsoc.org/>

Dear Member: The Trustees of the Superior Officers Council Health and Welfare Fund are pleased to provide you with this benefit handbook. Over the last decade substantial changes have taken place to our Health and Welfare Fund. We hope this handbook will assist you and your family navigate the benefits available to you. We urge you to read this handbook carefully so you will become familiar with not only your benefits, but your rights and obligations related to the Fund. The Fund was established by a Trust Agreement dated July 1, 1971.

That Agreement was created as a result of collective bargaining between the Superior Officers Council and the City of New York, whereby it was agreed the City would provide monetary funds for the purpose of furnishing health and welfare benefits to our active and retired members and their eligible dependents. Since that time, the Fund has grown considerably, providing a variety of benefits to more than 2,700 active member and their dependents, and more than 4,700 retired members and their dependents. Presently, the total number of participants entitled to benefits through the Fund is in excess of 20,000 lives. The main benefits provided by the Health and Welfare Fund includes prescription, optical and dental benefits. The benefits are financed from the Funds assets, which are accumulated under the provisions of the Trust Agreement for that purpose, to provide benefits to our eligible participants and defray reasonable administrative expenses. You are eligible for benefits if you are employed by or retired from the Police Department of the City of New York in any of the following classifications: Lieutenant, Captain, Surgeon or Captains assigned to higher rank up to and including Deputy Chiefs. The Trustees of the SOC in their capacity also act as Guardians of the Annuity Fund, currently administered by Principal Financial Group ("The Principal"). We hope you will take the time to read this handbook.

**Q: How long will it take for my medication to reach me through mail order?**

**A:** Prescriptions filled through the mail order facility should be received 10-14 days from the date the prescriptions are mailed.

**Q: How do I obtain a prior authorization?**

**A:** Ask your physician if a drug sample is available or your pharmacy may provide you with a short-term supply. You will be responsible for the full copayment at this time. If the prior authorization is approved, your pharmacist can dispense the remainder of the prescription.

**Q: What if my prior authorization is denied?**

**A:** The Superior Officers Council Prescription Plan design includes medications that effectively treat most medical conditions. Most likely, there is an alternative product that may be prescribed by your doctor that will not require prior authorization. Members going to an in-network Davis Vision location, **other than a Visionworks location**, can choose any frame from the Davis Vision Collection Frames, with no out-of-pocket cost.

Effective March 1, 2022, members opting for a frame outside the Davis Vision Collection will receive a \$125 allowance, plus an additional 20% discount off the price of chosen frames.

Retiree Plan A members and their dependents are eligible to use the Optical Benefit every 24 months. You are now reimbursed up to the following amounts: Eye exam: \$41.60 Materials: \$74.56

Keep in mind that you receive the greatest value by staying in-network.

## PHARMACEUTICAL BENEFIT PLAN

The Pharmaceutical Benefit Plan (PICA) is administered by the Office of Labor Relations and provides coverage for active and non-Medicare retirees requiring Specialty and non-Specialty injectable medications, prescription treatments used to treat cancer, and medicines used to treat the side effects of chemotherapy.

This prescription program has a \$100 annual deductible, per person, and an additional member out-of-pocket co-pay per claim.

In the past, this out-of-pocket cost has been realized by our sickest members requiring these customarily high-priced treatments.

In our ongoing effort to alleviate member out-of-pocket costs, the Board of Trustees has created the SBA-PICA Reimbursement Program.

Pursuant to this benefit, out-of-pocket deductibles and co-pays incurred by members for PICA formulary products can be submitted to the Health & Welfare Office for reimbursement.

Effective January 1, 2022, members incurring PICA related out-of-pocket expenses can submit a copy of the retail pharmacy "package attachment" or mail order/Specialty pharmacy "bill of lading" along with a payment receipt and the SBA will reimburse members for out-of-pocket costs incurred:

\*Members requesting brand medications that have an FDA approved generic equivalent or bioequivalent/ biosimilar product, where a PICA program guideline adds a co-pay penalty, will be reimbursed by the SBA for the generic/bioequivalent/ biosimilar product medication rate only.

Please forward claims for reimbursement to the SBA office, 155 Franklin St, New York, NY 10013; Attention: Belkis Medina-Villaruel or call for information at 212-343-5644

## CATASTROPHIC BENEFIT INFORMATION

### Definition of PPO and POS

Participating provider organization (PPO) indemnity plans offer the option to use either a network provider or an out-of-network provider for medical and hospital care. PPO plans contract with health care providers who agree to accept a negotiated payment from the health plan and predetermined co-payments from subscribers as payment in full for a schedule of medical services provided. When the subscriber uses a non-participating provider, the subscriber is subject to deductibles and/or a higher price schedule. GHI/CBP is an example of a PPO.

*Point-of-service (POS)* plans offer the freedom to use either a network provider or an out-of-network provider for medical and hospital care. If the subscriber uses a network provider, health care delivery resembles that of a traditional HMO, with prepaid comprehensive coverage and little out-of-pocket costs for services. When the subscriber uses an out-of-network provider, health care delivery resembles that of an indemnity insurance product, with less comprehensive coverage and subject to deductibles and coinsurance. HIP PRIME POS and U S. Health Care (QPOS) are POS plans.

The SBA Health & Welfare Fund catastrophic coverage plan does not cover subscribers of exclusive participating organizations (EPOs) because they do not provide any out of network benefits.

### The Catastrophic Coverage Benefit

The benefit pays up to 100 percent of reasonable and customary eligible expenses after a \$2,000 out-of-pocket annual deductible per person has been reached. Eligible out-of-pocket expenses are those medical and hospital charges that are considered reasonable and customary by the Plan and are not fully reimbursed by the City Health Plan or private group insurers.

### Benefit Limits and Maximums

There is a lifetime maximum benefit of \$250,000 per covered person. Within this lifetime maximum, required and approved private duty nursing is covered in full for the first unpaid \$25,000 and then at 50 percent for the remainder up to a lifetime maximum of \$50,000.

### Services or Charges Not Covered By the Catastrophic Benefit

In addition to the benefit exclusions of the SBA Health & Welfare Fund, the catastrophic benefit does not cover out-patient psychiatric care, prescription drugs, workers compensation benefit claims, occupational injury, illness or disease, fertilization, no fault auto insurance medical expenses, experimental procedures, any medical, surgical or hospital service/charge not approved for payment by a Member's Participating Provider Organization (PPO) or Point of Service Plan (POS). Services rendered by non-participating PPO providers or out-of-network POS providers must be approved by the member's health plan.

### Submitting an SBA Catastrophic Benefit Claim

Once you have reached the \$2,000 out-of-pocket, per-person annual deductible, complete and submit the catastrophic claim benefit form to the Fund office for processing. Instructions are printed on the form. <https://sbanypd.nyc/wp-content/uploads/2023/03/catastrophic-coverage-benefit-claim-form.pdf>

For additional information please contact the SBA Health & Welfare office at (212) 431-6555.

PBA President Patrick Hendry said: "This case could not have been any clearer. This individual was carrying a loaded gun on our streets. He attacked an innocent bus passenger for no reason. He was determined to get away with those crimes at any cost, even if it meant murdering a New York City police officer. He didn't succeed thanks to the courage and skill of our brother Brett Boller and his fellow police officers. We're grateful that he is being held accountable with this verdict. Now he must receive the longest sentence the law allows."

### **Patrick Hendry writes op/ed article on justice system failures**

In a Daily News opinion column, PBA President Patrick Hendry makes the case for keeping repeat violent offenders off the streets. <https://nycpba.org/news-items/daily-news/2024/too-many-questions-about-nyc-s-violent-attacks-why-is-the-system-setting-free-such-dangerous-offenders/>

Last week, our city witnessed two outbreaks of the kind of violence that keeps New Yorkers awake at night, wondering if they are safe walking in the streets in broad daylight, wondering if a similar attack will eventually happen to them.

In Manhattan, a violent recidivist knifed three people to death in three separate incidents. He had at least 10 prior arrests and had just been released from a jail sentence *three months early* — even though he had assaulted a correction officer while in custody at Bellevue.

The very next day, a paroled killer robbed a deli and smoke shop at gunpoint, then started a gun battle with police officers that left both a cop and a bystander wounded. He had 17 prior arrests, seven of which occurred *while on lifetime parole, including arrests for burglary, menacing and robbery within the past year.*

After both incidents, the same questions echoed in the minds of many New Yorkers:

Why was a mentally unstable repeat offender with a history of violence let out of jail before his sentence was up? Why wasn't a lifetime parolee kept behind bars after he was arrested for additional violent crimes? And how were either of these known dangerous individuals allowed to return to our streets?

### **Cop wounded, robbery suspect dead in Queens shootout**

PBA President Patrick Hendry is quoted in the **NY Post**: "I can tell you this — all New Yorkers, you can depend on New York City police officers to do our jobs. We will continue to take dangerous criminals off the streets. We have your back. I can tell you who doesn't have your back — our criminal justice system. It continues to let us down every single day. New York City police officers are sick and tired of being assaulted on the streets. It has to end. We need all New Yorkers once and for all to demand change in our criminal justice system." <https://nycpba.org/news-items/post/2024/hero-cop-kills-2-time-suspected-robber-in-dramatic-shootout-on-nyc-street-as-hundreds-flee/>

Dear PBA Member:

I write with news of important improvements to the benefits provided by the Health and Welfare Fund and Retiree Health and Welfare Fund of the Police Benevolent Association of the City of New York ("The Funds"). Prudent management of the Funds' assets and collective bargaining efforts, combined with our members' judicious use of benefits, has allowed us to make these improvements at a time when other benefit plans are scaling back benefits. Effective November 1, 2023, PBA Members and their families will enjoy the following improvements to the Funds' benefit plans:

### **Non-Plan Eyeglass Frame Allowance (Active and Retired Members)**

As you know, Active and Retired Members and their dependents are eligible, at no out-of-pocket cost, to receive one (1) comprehensive eye examination and one (1) set of prescription eyewear, either eyeglasses or formulary contact lenses, from a participating provider in the Davis Vision Network every twelve (12) months. If you choose an eyeglass frame from the Davis Vision frame selection, there is no out-of-pocket cost for the frames; however, there is currently no allowance provided to members for nonplan frames, except for a 20% discount off the retail price of such frames.

In response to members' requests, we are pleased to announce that Active and Retired Members and their eligible dependents will now be eligible to receive an allowance of \$150.00 toward the purchase of non-plan eyeglass frames from a participating provider in the Davis Vision Network. The existing 20% discount will continue to apply to the remaining cost above \$150.00. You may use this allowance in tandem with the Funds' prescription eyeglass lens benefit to complete your eyeglasses. The Davis Vision frame collection is still available, meaning you will continue to have access to over two hundred (200) Plan Frames at no cost.

***NOTE: If you go to a participating provider in the Davis Vision Network and they do not apply the 20% discount, do not continue with your purchase, and call the PBA Health & Welfare Office immediately. All participating providers must apply a 20% discount off the remaining balance after they apply the \$150 allowance.***

### **Minimum Copayment Reduction for Generic Drugs (Retired Members)**

To reduce the out-of-pocket cost for our Retired Members, the copayment for generic prescriptions, both at retail and mail, will be reduced from the greater of \$20.00 or 25% of the total cost of the drug to the greater of \$10.00 or 25% of the total cost of the drug. Depending on the total cost of a particular prescription, this may reduce your out-of-pocket cost by as much as \$10.00 per generic prescription every time you fill it. This is particularly beneficial to Retired Members who take multiple generic medications regularly.

### **Coverage for Disposable Insulin Pumps (Medicare-Eligible Members)**

Disposable insulin pumps are a relatively new advancement in the delivery of insulin for individuals with diabetes. Many find them to be more convenient and more consistent than other traditional methods of insulin delivery. The Funds will now cover these products, subject to normal coverage rules, so that our Medicare-eligible Members and their dependents will have the option of taking advantage of this new advancement. This coverage applies to Medicare-eligible individuals only. The Funds do not cover medications and supplies for the treatment of diabetes for non-Medicare individuals as these are typically required to be covered under non-Medicare health insurance policies in New York State. Members and their dependents who are not eligible for Medicare should contact their health carrier under the City of New York Health Benefits Program for information about your coverage.

### **Coverage for Shingles Vaccination (Medicare-Eligible Members)**

As you know, the Funds do not cover vaccinations as they are typically covered under medical insurance policies; however, based on recent feedback from Medicare-eligible Members, we have identified coverage for the shingles vaccination as a valuable improvement for our Medicare-eligible Members, primarily because Medicare Part B under Original Medicare does not currently cover it. Coverage for the shingles vaccination is currently mandated by the Affordable Care Act and is available through the employee health plans offered under the City of New York Employee Health Benefits Program to Active and Pre-Medicare Retirees who meet certain eligibility rules. Please contact your health insurance carrier for more information about coverage.

### **Important Information for Members and Dependents Enrolled in Medicare Part D Plans**

If you are enrolled in a Medicare Advantage Plan that provides prescription drugs or if you have Original Medicare and have enrolled in a stand-alone Medicare Part D Plan, your Medicare Advantage or Part D Plan is primary for your prescription drug coverage, including disposable insulin pumps and the shingles vaccination. You may submit any remaining out-of-pocket costs to Caremark for secondary coverage reimbursement.

We are pleased to offer these benefits improvements and are hopeful we will be able to provide additional enhancements in the future. If you have any questions about the above information, please contact the Health and Welfare Office at 212-349-7560.

In Solidarity,

Patrick Hendry  
President

# Health and Welfare

I continually receive inquiries from members who are unsure of what medical coverage they have through Emblem Health/GHI.

Thanks to Club Trustee Dennis Cirillo here is a link to the New York City Summary Program Description Health Benefits Program <https://www1.nyc.gov/assets/olr/downloads/pdf/health/health-full-spd.pdf>

The handbook contains information of all of the medical coverage provided to NYC employees and retirees covered by GHI Comprehensive Benefits Plan.

Additionally, many members are still unaware of the GHI Catastrophic Coverage provided by the Superior Officers Council, Sergeants Benevolent Association and the Detectives Endowment Association.

This benefit was established to assist members and eligible dependents to defray some of the non-covered medical and surgical expenses incurred for services rendered by non-participating or out-of-net-work providers and to provide coverage for catastrophic illness.

The below information is listed on their respective websites.

## SOC Catastrophic benefit (GHI/Emblem Health Members Only)

The GHI Catastrophic Rider was established to assist our members and their eligible dependents (includes spouses, registered domestic partners, and eligible dependent children; full-time students ages 19–23) to defray some of the non-covered medical and surgical expenses incurred for services rendered by non-participating or out-of-network providers and to provide coverage for catastrophic illness

- Members must incur out-of-pocket expenses of more than \$3,000 per year. (Out-of pocket expenses are those medical and hospital charges that are considered reasonable and customary by GHI and are not reimbursed by either the City Health Plan or private insurers).
- Members must produce a statement of services, Explanation of Benefits Form (EOB) and cancelled checks for expenses submitted.
- Reimbursement is based on a contract year (January – December) 100% of GHI reasonable and customary charges, based on the current profile.
- The maximum lifetime benefit is \$2 million (limitations apply).

## Limitations

The first \$25,000 is covered for private duty nursing care, and thereafter 50% of the remainder, with a lifetime cap of \$50,000 per person. The cap for in-hospital mental health charges is \$10,000 individual lifetime maximum.

## \$1,000 SOC Catastrophic Benefit

The SOC provides a self-funded \$1,000 direct reimbursement payable to the member after the member has submitted the required documentation and has qualified under the GHI Catastrophic Rider outlined above. The member must have incurred the minimum of at least \$3,000 out-of-pocket to qualify. The exclusions and restrictions of the SOC Catastrophic Reimbursement are the same as the requirements outlined above for the GHI Catastrophic Benefit.

The benefit does not cover prescription drug charges. Ineligible charges such as experimental procedures or services not approved by GHI/CBP and/or Empire Blue Cross Blue Shield are likewise not eligible for this benefit.

**Example:** You paid \$10,000 in out-of-pocket expenses, but GHI's reasonable and customary payment for those services is deemed to be \$7,000. The member is responsible for and pays the remaining \$3,000 of the balance and is now eligible to receive \$1,000 from the SOC's Catastrophic Reimbursement Benefit.

---

## SBA—Eligibility

SBA members are eligible, as well as spouses/domestic partners and dependent children who are covered under a participating provider organization (PPO) or a point-of service (POS) plan presently being offered by the New York City Employee Health Benefits Program.

## Definition of PPO and POS

Participating provider organization (PPO) indemnity plans offer the option to use either a network provider or an out-of-network provider for medical and hospital care. PPO plans contract with health care providers who agree to accept a negotiated payment from the health plan and predetermined co-payments from subscribers as payment in full for a schedule of medical services provided. When the subscriber uses a non-participating provider, the subscriber is subject to deductibles and/or a higher price schedule. GHI/CBP is an example of a PPO.

Point-of-service (POS) plans offer the freedom to use either a network provider or an out-of-network provider for medical and hospital care.

# Health and Welfare

## SBA GHI Catastrophic Coverage continued.....

If the subscriber uses a network provider, health care delivery resembles that of a traditional HMO, with prepaid comprehensive coverage and little out-of-pocket costs for services.

When the subscriber uses an out-of-network provider, health care delivery resembles that of an indemnity insurance product, with less comprehensive coverage and subject to deductibles and coinsurance. HIP PRIME POS and U S. Health Care (QPOS) are POS plans.

The SBA H&W Fund catastrophic coverage plan does not cover subscribers of exclusive participating organizations (EPOs) because they do not provide any out of network benefits.

### The catastrophic coverage benefit

The benefit pays up to 100 percent of reasonable and customary eligible expenses after a \$2,000 out-of-pocket annual deductible per person has been reached. Eligible out-of-pocket expenses are those SBA H&W Fund medical and hospital expense charges that are considered reasonable and customary by the basic City Health Plan and are not fully reimbursed by the City Health Plan or private group insurers.

### Benefit limits and maximums

There is a lifetime maximum benefit of \$250,000 per covered person. Within this lifetime maximum are the following:

- (1) Mental health in-hospital care of \$10,000.
- (2) Required and approved private duty nursing is covered in full for the first unpaid \$25,000 and then at 50 percent for the remainder up to a lifetime maximum of \$50,000.

### Services or charges not covered by the catastrophic benefit

In addition the benefit exclusions of the SBA H&W Fund, the catastrophic benefit does not cover outpatient psychiatric care and prescription drug charges. Ineligible charges such as experimental procedures or services not approved by the member's health plan are likewise not covered by this benefit. Medical, surgical and hospital charges incurred for services rendered by non-participating PPO providers or out-of-network POS providers must be approved by the member's health plan.

### Submitting an SBA catastrophic benefit claim

Once you have reached the \$2,000 out-of-pocket, per-person annual deductible, obtain and submit the catastrophic claim benefit form to the Fund office for processing. Instructions are printed on the form.

<https://private.sbanypd.nyc/wp-content/uploads/documents/benefits/catastrophic-coverage-benefit-claim-form.pdf>

DEA—There are two parts to the DEA Catastrophic coverage. The first part is an extra rider that the DEA purchased through GHI. There is a \$4,000 deductible (retired members) per calendar year.

Claims for non-participating doctors are submitted through GHI for their basic allowance. Because GHI's payment schedule is so low the member always has an out of pocket expense. When the difference between what your doctor's charges and what GHI allows exceeds \$4,000 you may apply for the DEA catastrophic benefit.

For catastrophic medical expenses after your G.H.I. basic refund, the DEA requires an out-of-pocket deductible of \$4,000 per family per calendar year. When G.H.I. original Explanation of Benefit (EOB) statements are submitted to the DEA reflecting the deductible, we will refund \$3,000 of the \$4,000 deductible. All covered expenses i.e., those claims in which GHI has made some level of payment, after the deductible will be processed at a 100% reimbursement level not to exceed \$250,000 lifetime per family. This catastrophic medical benefit applies only to members enrolled in the GHI-CBP program offered through the City of New York Health Benefits office.

There is an additional benefit under the DEA Catastrophic Benefit Program for Retired Members who do not qualify for the Catastrophic benefit described above.

For members who have out of pocket expenses ranging between \$2,000 and \$4,000 in a calendar year, the DEA Health Benefits Fund will reimburse you the amount between \$2,000 and \$4,000. GHI Explanation of Benefits (EOB) statements will be required for submission to the DEA in order to obtain reimbursement. Please telephone the DEA Health Benefits Office at 212-587-9120 for an Annual GHI/DEA Refund Form.

## THE DO'S AND DON'TS OF CARRYING A CONCEALED HANDGUN IN NC

1. Your permit to carry a concealed handgun must be carried along with valid identification whenever the handgun is being carried concealed.
2. When approached or addressed by any officer, you must disclose the fact that you have a valid concealed handgun permit and inform the officer that you are in possession of a concealed handgun. You should not attempt to draw or display either your weapon or your permit to the officer unless and until he/she directs you to do so. Your hands are to be kept in plain view and you are not to make any sudden movements.
3. At the request of any law enforcement officer, you must display both the permit and valid identification.
4. You may not, with or without a permit, carry a concealed weapon while consuming alcohol or while alcohol or any substance, controlled or otherwise, is in your blood unless the substance was obtained legally and taken in therapeutically appropriate amounts.
5. You must notify the Sheriff who issued the permit of any address change within thirty (30) days of the change of address.
6. If a permit is lost or destroyed, you must notify the sheriff who issued the permit and you may receive a duplicate permit by submitting a notarized statement to that effect along with the required fee. Do not carry a handgun without it.
7. Even with a permit, you may not carry a concealed handgun in the following areas: a) Any law enforcement or correctional facility; b) Any space occupied by state or federal employees; c) Any premises where the carrying of a concealed handgun is prohibited by the posting of a statement by the controller of the premises; d) Public educational property, however, a permittee may secure a handgun in a locked vehicle; e) Areas of assemblies or demonstrations; f) State occupied property; g) Any state or federal courthouse; h) Any area prohibited by federal law; i) Any local government building if the local government had adopted an ordinance and posted signs prohibiting the carrying of concealed weapons.
8. If you are in a vehicle and stopped by a law enforcement officer, you should put both hands on the steering wheel, announce you are in possession of a concealed handgun and state where you have it concealed, and that you are in possession of a permit. Do not remove your hands from the wheel until instructed to do so by the officer.

## IF A MEMBER DIES - INFORMATION TO THE SURVIVING SPOUSE OR FAMILY

(Hopefully Not Needed For A Long Time)

Too often spouses and families are left in a quandary upon the death of a loved one. Few situations in life are more stressful than when a spouse passes. All too often we have a difficult time focusing on the issues at hand and need guidance to get the deceased affairs in order. The following is a general guide for the widow(er) or the deceased's family regarding important notifications that must be made by the surviving spouse and information you should have on hand when a retiree dies.

### I. PREPARATIONS BEFOREHAND

- **GATHER ASSETS** - This doesn't mean piling them all together. It means getting a list of all the assets at the time of the decedent's death, along with copies of statements, deeds, etc. This information is needed for probate. It's also essential for filing federal and state estate tax returns, if required.
- **REVIEW IRAs** - If the surviving spouse is the beneficiary, decide whether to roll an IRA over to the surviving spouse.
- **GET GOOD ADVICE** - and get it now. The money you pay to attorneys and other advisers to resolve issues NOW can be much lower than if you deal with problems AFTER a person's death.
- In case of couples, usually most of the property is held in joint names and the survivor obtains same "by operation of law". However, there may be some items which were held in the name of the deceased only, and in that case it would be necessary to go to Probate Court to transfer ownership of that property, unless listed in a trust.
- **GET ORGANIZED NOW** - When someone dies, one of the big problems for beneficiaries is locating the things necessary to settle the estate. Make sure you know before the death occurs where to find the following documents and information. (This is just a partial list)
  1. Will
  2. Living Will
  3. Trust
  4. Deeds (if any).
  5. Safe-deposit boxes (location of boxes, contents and keys).
  6. Life insurance policies.
  7. Funeral and burial instructions.
  8. Names and addresses of creditors and debtors.
  9. List of assets and where they are located.
  10. List of all advisers (attorney, accountant, insurance agent, stockbroker, etc.).

### II. STEPS TO BE TAKEN AFTER DEATH - Notifications to be made:

1. NYC Police Pension Fund (either in writing or by telephone)  
233 Broadway, 25th Floor  
New York, New York 10279  
Attention: Retiree Death Benefits Unit  
Telephone [212\) 693-5607/5919](tel:212-693-5607)

Contact the appropriate Union for a possible existing life insurance policy and also for continuation of optional benefits, if qualified.

- Police Officers - Patrolmen's Benevolent Association (PBA) at [212\) 233-5531](tel:212-233-5531)
- Detectives - Detectives' Endowment Association (DEA) at [212\) 587-9120](tel:212-587-9120)
- Sergeants - Sergeant's Benevolent Association (SBA) at [212\) 431-6555](tel:212-431-6555)
- Lieutenants and above - Superior Officers Council (SOC) at [212\) 964-7500](tel:212-964-7500)

2. Contact the NYC Health Benefits Program for Special Continuation of Coverage application (coverage for life) located at 40 Rector Street, 3rd Floor, New York 10006 [212\) 513-0470](tel:212-513-0470).

3. Contact the NYPD Operations Unit located at One Police Plaza at [646\) 610-5580](tel:646-610-5580), for pall bearers (Funeral Director will usually do this for you) for all five boroughs, all of Long Island and Upstate New York, but not beyond Dutchess County.

4. Contact Social Security: [800\) 772-1213](tel:800-772-1213) (Funeral Director will usually do this for you).

5. Contact Fraternal Organizations to arrange for visitors, Color Guard and possible insurance benefits.

# THIS AND THAT

6. If a veteran, notify the Veterans Administration at [\(800\) 827-1000](tel:800-827-1000) for: Grave marker, Funeral Allowance and Flag (Funeral Director will usually do this for you). If can't find discharge papers or DD 214, you will need date of Enlistment, date of Discharge, Branch & Serial Number. If deceased had 100% disability for 10 years, spouse is entitled to an additional benefit.
7. Notify your Church or Temple for announcements.  
(Funeral Director will usually do this for you).
8. Health Insurance: COBRA (Consolidated Omnibus Budget Reconciliation Act of 1985) COBRA has a safety net. If spouse or dependent was covered under deceased's health plan they may continue coverage under COBRA for up to 36 months. New York State in 2001 amended the Administrative Code to continue Health Care Coverage for Surviving Spouses for Life (Download Information Regarding this Amendment). This enables the deceased's spouse and/or dependents to receive coverage at the group rate. The City and the Line Organization health benefits stop at the death of the members. The rate, though high, is cheaper than the non group rate.  
Call: NYC Employee Benefits [212\) 513-0470](tel:212-513-0470)

## THIS INFORMATION PERTAINS TO COBRA

### Police Officers & Firefighter surviving spouses are to follow this procedure

Attach a machine copy of the death certificate to a request for an application for COBRA FOR LIFE and send it to:

Retired Employees Benefits Section  
Att: Linda Harris (**Cobra for Life**)  
40 – Rector Street – 3<sup>rd</sup> Floor  
New York, NY 10006

They will send the surviving spouse a pre-numbered application allowing the spouse to continue the health coverage the member had at a cost equal to 102% of what the City pays, which includes administrative fees. This is fairly reasonable. Applying for this must be done within 30 days. Benefits are retroactive if the surviving spouse requires medical attention during this interim period.

At this time if a member and spouse are of Medicare age, and reside in an area covered by Aetna, I would strongly recommend they choose that plan over GHI/EBC/CBP.

Also, they would need to consider the respective union plans as those plans would only be available for 36 months, and whether the health plan rider would be a better choice.

## THINGS YOU WILL NEED

**DEATH CERTIFICATES** - Death Certificates are necessary in every step to the successful administration of a decedent's estate. (Usually Funeral will obtain certificates as part of his service at current cost). They are usually needed for:

Pension Bureau  
Veterans Administration (if a veteran)  
Motor Vehicle Bureau if auto was in deceased's name. 1 for each insurance policy.  
Court (If probate is needed).  
Your State Dept. of Revenue to obtain non-tax certificate if real property is involved.  
Bank accounts held in Trust for another 1 for each account if property held in a Trust.  
Personal Records.

Note: If estate is probated, some of the above will take a Letter Testamentary instead of a Death Certificate.

### **MARRIAGE CERTIFICATE (With Official Raised Seal):**

Social Security, (not necessary if surviving spouse already receiving benefits)  
Veterans Administration, if a veteran.

### **LETTERS TESTAMENTARY or LETTERS OF ADMINISTRATION:**

Motor Vehicle Bureau, if auto is in the deceased's name.  
One for each bank account  
Brokerage house account (share of stock or bonds, etc. that were in the deceased's name alone)

### **DISCHARGE PAPERS: DD 214 - (Original needed)**

Social Security, if spouse was not already receiving benefits. Remember that service time counts toward qualification. They will Photostat.  
Veterans Administration, if a veteran

### **PAID FUNERAL BILLS:**

1 copy for Pension Bureau  
1 copy for Probate Court  
1 copy for IRS, if taxable estate.

## OTHER THINGS THAT MAY APPLY (usually after burial)

Cancel any leases. (If your parent or loved one rented a home, cancel the lease after clearing out the furnishings)  
Inform insurance companies.

File life insurance claims for any policies on the person's life, and request that the insurers send you Form 712, Life Insurance Statement (this is a statement about the life insurance that must be filed with the estate tax return).

Make sure the car insurance company continues to cover the person's car until it's sold or transferred to a beneficiary.

Make sure the homeowners policy continues to provide adequate coverage for the person's things until removed from the home.

Notify companies the person did business with.

Cancel credit cards, and close charge accounts.

Have airlines to transfer frequent-flier miles to the primary beneficiary. (Each airline has different policy concerning this issue. Check with carrier about rules)

Consideration should also be given to making pre-death funeral arrangements. This provision, no matter how painful, should be discussed by couples and by parents with their families. Too often, spouse and children spend much too much money on a funeral and do so without really knowing what were the deceased's wishes in this regard (Place of burial, Cremation, etc.)

Consideration should also be given to having a "Family Durable Power of Attorney" (Someone to take over your finances if you become incapacitated or incompetent)

There are no words of comfort at such a difficult time, however, if you have all the necessary information at the ready it will expedite any claim that is pending, make the process run smoothly, and your stress level can be minimized.
