VICE PRESIDENTS MESSAGE

Greetings to my fellow 10-13 Members:

As we close out the summer and move into the fall season, I want to take a moment to reflect on something truly meaningful for our club. On September 11th, we gathered for the 25th Anniversary of the 9/11 Memorial Ceremony — a milestone that carries deep emotion, pride, and remembrance for all of us who wore the uniform and served the city, and for those of us who, though already retired, still felt the impact of that day as deeply as anyone in the NYPD family.

This year's ceremony was one of our strongest yet. The turnout, the reverence, and the unity among our members and guests spoke volumes about the character of this club. I want to extend my sincere thanks to everyone who assisted, supported, and participated — whether you helped set up, spread the word, attended in person, or simply held the day in your heart. Your presence ensured that the memory of our fallen brothers and sisters continues to be honored with dignity and respect.

I also want to take a moment to thank all first responders who were there that fateful day — the men and women who ran toward danger, who searched through the rubble, who carried the weight of unimaginable loss, and who continue to carry the scars of that day. Their courage remains a guiding light for all of us.

A special and heartfelt thank-you goes to club member Frank DeMasi, who delivered this year's Featured Memorial Address. Frank's words were powerful, emotional, and deeply rooted in the truth of what happened on 9/11. His steadfast commitment to his fellow ESU officers who perished in the Towers — and his dedication to keeping their memories alive — is something I deeply admire.

Frank, your speech was a reflection of your soul and your courage. It reminded all of us of the strength, character, and loyalty you have carried throughout your life. I will never forget what you did that day, and what you continue to do for all of us.

Looking ahead, I want to remind everyone that our next monthly meeting will be held in Waxhaw, at the Lawson Community Clubhouse, located at:

2306 Lawson Dr
Waxhaw, NC 28173

We have a large contingent of members who live in Waxhaw, and this meeting is especially for you. If the drive to Charlotte has kept you from attending regularly, I encourage you to come out, reconnect, and be part of the fellowship that makes this club special. These meetings are where friendships are renewed, new connections are made, and the spirit of support that defines our organization continues to grow.

Your presence strengthens the club.

Your participation keeps us connected.

And your involvement ensures that our mission — supporting retired NYPD members and all law enforcement officers, and preserving the bonds we built throughout our years of service — remains alive and well.

I look forward to seeing many of you in Waxhaw.

Fraternally,
Dennis Cirillo
Vice President

The following candidates were endorsed by the Charlotte-Mecklenburg FOP Lodge 9 members.

NYC District 1 Council Member Christopher Marte introduced a bill, Int. 1008-2026 to the NYC Council, a Local Law to amend the administrative code of the city of New York, in relation to protecting the health insurance coverage and contribution for Medicare-eligible retired employees of the city of New York and their Medicare-eligible dependents. This bill would maintain the health insurance coverage of eligible retired employees of the city of New York and their dependents by prohibiting the City from increasing the total costs for healthcare above the rate paid by each retiree as of December 31, 2021, or by decreasing the level of coverage that was provided to each such retiree as of December 31, 2021.

You can read the bill at: https://legistar.council.nyc.gov/View.ashx?M=F&ID=15763009&GUID=299E4F02-2725-400D-87D8-2E2E1CB4F13B

The following council members have signed on as sponsors of the bill: Christopher Marte, Frank Morano, Phil Wong , Gale A. Brewer, James F. Gennaro, Harvey D. Epstein, Linda Lee, Shekar Krishnan, Shahana K. Hanif, Carl Wilson , Mercedes Narcisse, Julie Won, Alexa Avilés, Justin E. Sanchez, Simcha Felder, Rita C. Joseph, Inna Vernikov, Vickie Paladino, David M. Carr, Joann Ariola

Please ask those not signed on do so.

For those of you who do not live in NYC use your last work address if they ask. Otherwise, just state that you are a NYC retiree, and you want the council member to support the legislation that will protect us! They will be retired one day, and the last thing they would want is the city to diminish their benefits when they retire!

See page 10 for contact information of the City Council Members who are not sponsors of the bill.

Before heading to bed on Saturday, Oct. 31, turn manual clocks back one hour. Check ovens, bedside clocks, and vehicle dashboards. Most phones and computers adjust automatically when their automatic time settings are enabled.

Daylight saving time ends at 2 a.m. local time on Sunday, Nov. 1, when clocks across most of the US move back to 1 AM

Stay healthy and stay safe.

Fraternally,

Harvey Katowitz

THEY MUST NEVER BE FORGOTTEN

THEY MUST NEVER BE FORGOTTEN

Mark was the cherished son of the late Donato and Joan DiPaolo, who undoubtedly welcomed him with open arms. He is survived by his beloved wife of 34 years, Catherine, with whom he shared a beautiful journey, raising two loving daughters, Michelle and Allison. Mark also leaves behind his son-in-law, Christopher, and his faithful poodle, Cooper. He was a devoted brother to Edward and his wife Kim, Lucy and her husband Marco, and Donato and his wife Christine. His father-in-law, Salvatore Carrado, also survives him, along with numerous nieces, nephews, and cousins who held him dear.

Mark's educational journey took him from St. Peter's Boys High School, where he graduated in 1985, to Pace University, where he completed his undergraduate studies in 1989. His thirst for knowledge and dedication to public service led him to earn a Master's degree while serving in the NYPD a testament to his commitment to excellence.

Mark dedicated 33 years of his life to the New York Police Department, serving the city he loved from 1990 until his retirement in 2023.

Rising to the rank of Inspector, he was admired for his diligence, integrity, and unwavering dedication to public safety. His colleagues and friends in the NYPD community remember him as a steadfast protector and a hero in their ranks.

DiPaolo held several major leadership positions during a lengthy career that took him across Brooklyn and Staten Island. For Williamsburg residents, he is particularly remembered for his time leading the 90th Precinct, which covers Williamsburg and surrounding neighborhoods.

His career later included serving as commanding officer of the 84th Precinct in Brooklyn Heights, as well as commanding officer of the Detective Borough Staten Island, placing him in charge of major investigative and policing operations during different stages of his service.

Outside his professional life, Mark was a man of many passions. He was a devoted family man—caring, intelligent, always ready to help, and blessed with a wonderful sense of humor. His commitment to others extended far beyond the badge, into the everyday ways he showed up for family and friends.

He loved staying active, often found working out, and was happiest when surrounded by his family. His vibrant spirit, fun-loving nature, and caring heart made him the cornerstone of his family-a hero not only in his professional life but also at home.

His passing has prompted tributes from members of the law enforcement community who knew him throughout his career. Funeral and memorial services are being held this week as family, friends, and former colleagues gather to pay their final respects.

THEY MUST NEVER BE FORGOTTEN

Today we mourn the passing of retired NYPD Chief Charles Kammerdener on September 4, 2026 due to a 9/11 related illness. Born on June 27, 1948 in Brooklyn to Charles and Marie Kammerdener, Charlie lived his life embodying the motto of the NYPD: Fidelis Ad Mortem, Faithful Unto Death.

As a young man, Charlie enlisted in the US Marine Corps and served his country in Vietnam. He began his career with the NYC Police Department in 1972. He rose through the ranks to retire as a three-star chief, leading Special Operations for the NYPD. When he retired in 2011, Charlie had dedicated almost 40 years of his life to serving and protecting the people of NYC. His colleagues and friends in the NYPD remember him for his utmost integrity, his strong sense of duty and fairness, but most of all, for his humanity. And let's not leave out those impeccable suits and carefully ironed shirts.

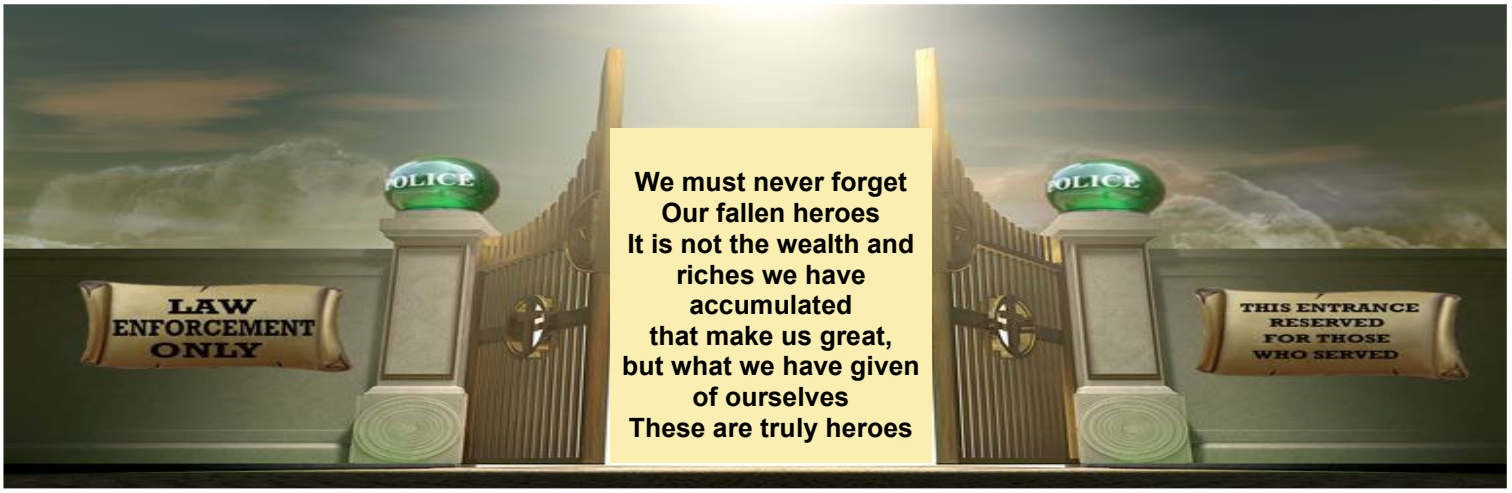

Charles is survived by his beloved wife Enid, his son Sean, his daughter Cherilyn, and his two grandchildren Alexa and Amanda, who were the light of his life. In his retirement, Charlie enjoyed taking long walks in John Burns Park and frequent trips to Virginia Beach with his wife, hosting family dinners on Tuesday nights for his granddaughters, and shopping for Christmas all year long so he could shower everyone he loved with gifts. On Christmas, the brightly wrapped gifts "from Santa" would be stacked seemingly to the ceiling. And at some point, Charlie would disappear and "Santa" in his bright red suit would suddenly emerge from another room with a big "HoHoHo."

Charlie was a happy man with a pair of lobster tails. He had a deep-seated belief that at a buffet, you should go right for the shrimp - "No fillers!" He also believed that an unwashed car was akin to a mortal sin. He drank his coffee black, half a sugar. He lived by the rule of never going anywhere you've been invited to without bringing something, and usually he ended up bringing the whole barbeque, napkins and all. He was the first person to arrive anywhere he went, and he was the first person to offer a helping hand with anything you might need, be it to paint your house or to pick you up from the airport at 4am. He will be deeply missed but forever remembered by his family, friends, colleagues, and neighbors for his generous spirit.

The Kammerdener family will receive visitors on Tuesday, September 8th from 2-4 and from 7-9 at the Massapequa Funeral Home South Chapel at 4980 Merrick Road in Massapequa Park, NY. A funeral service will take place at the same location on Wednesday, September 9th at 10:00am, followed by a police escort to Calverton National Cemetery, where Charlie will be laid to rest with police and military honors. The Kammerdener family extends its deepest gratitude to the NYPD community for ensuring that Charlie is honored for his service and sacrifice.

Donations can be made in Charlie's memory to the Tunnel to Towers Foundation, an organization devoted to helping the families of fallen first responders.

NYC PENSION FUND

NYC PENSION FUND RETURNS

New York City Pension Funds' Returns for Fiscal Year 2026
NYC Comptroller - Mark Levine

Overview of Fiscal Year 2026
The New York City Comptroller (the "Comptroller" or "Office") serves as investment advisor, custodian, and a trustee for New York City's five public retirement systems (the "Systems"). Through the work of the Bureau of Asset Management ("BAM"), the Comptroller partners with the Systems' trustees and their consultants to prudently invest over $325 billion on behalf of more than 750,000 current and retired public servants, ensuring the long-term retirement security of the City's dedicated workforce.

Fiscal Year ("FY") 2026 was defined by resilient financial markets navigating an increasingly complex global environment shaped by evolving trade policy, persistent inflation, geopolitical uncertainty, and continued investment in artificial intelligence. **Despite this uncertainty, the Systems generated a robust aggregate return of 13.0%, net of fees, substantially exceeding the 7.0% actuarial target.** These results reduce the City's required pension obligations by approximately $6.3 billion over the five fiscal years beginning in FY 2028.

These results reflect the value of maintaining a disciplined, diversified, and long-term investment strategy. Guided by prudent governance and supported by a globally diversified portfolio spanning public and private markets, the Systems remain well positioned to meet their obligations to beneficiaries while continuing to navigate an increasingly dynamic investment environment.

TRUSTEE'S

10-13 Club of Charlotte

When our Club was initially formed with 35 members it was easy for our club President to respond to emails from our members. Now that we have over 400 members, the task has become a full-time job and is difficult to do in a timely manner. To alleviate this problem our trustees have been assigned to designated geographical areas.

If you have a question, problem or concern, please correspond with your designated trust

Let us take a moment today, to remember and honor the lives of hero Police Officers Michael J. Buczek and Christopher G. Hoban who made the ultimate sacrifice 38 years ago. Officer Buczek worked in the 34th Precinct and Officer Hoban worked in Manhattan North Narcotics. They died on the same day just hours apart.

On Tuesday October 18, 1988, while many people were looking forward to World Series Game 5 between the Los Angeles Dodgers and the Oakland A's, Christoper Hoban, 26, of the Manhattan North Narcotics Unit, was part of an undercover buy-and-bust operation at 19 W. 105th St., just off Central Park West.

When Hoban and his partner, Michael Jermyn, declined to sample the cocaine they were offered, one drug dealer shouted "Policia! Policia!" while another named Bienvenido Castillo held a gun to Hoban's head. In the ensuing shootout, both Hoban and one of the drug dealers were killed, while Castillo escaped.

At 7:11 p.m., code 10-13, officer needs assistance, went out over NYPD radios. Hoban was rushed to St. Luke's Medical Center where he died.

Hours later, Officers Michael Buczek, 24, and Joseph Barbato, both of the 34th Precinct, were responding to a 911 call: A woman at 580 W. 161st St., at Broadway, was having trouble breathing. When they got there, the woman was feeling better, and soon an ambulance arrived. As the cops were leaving, Buczek noticed three suspicious-looking men getting off the building's elevator.

Following the trio onto West 161st Street, Buczek apprehended one, who dropped the bag he was holding, withdrew a 9mm pistol, shot Buczek in the chest, and ran. Barbato fired four times in return, wounding the gunman, who nonetheless escaped with his two accomplices. At 9:45 p.m., another 10-13 went out.

The bag that Buczek's killer had been carrying contained cocaine—stolen from drug dealers inside the woman's building.

Buzcek was rushed to Columbia-Presbyterian Hospital, where he soon died.

NATIONAL NYCPD 10-13

NYPD ID CARD RENEWAL

For those members that reside locally, the ID card Section (646-610-5150) is now on 2nd floor at One Police Plaza, opposite the Operations Unit.

They will only renew a retiree ID card that has less than 3 months before expiration date or already expired. Please do not go at the end of month when it is crowded due to numerous active MOS retiring. Using the above number, call beforehand to make sure there is no promotion on the day you are going because it can get crowded and active will have priority.

For those out of state members, please follow the instructions when mailing in ID cards. I have received ID cards mailed to me using regular first-class mail. The issue with this is that it is not tracked and, therefore, not guaranteed that I will receive it. The Priority Mail procedure provides a tracking number so that the ID card can be accounted for throughout the entire mailing process.

If your ID card is lost or stolen, you must make a police report with your local precinct or police department for lost or stolen property and a copy of the report must accompany the ID card application. The application will not be processed without a report.

The NYPD card section uses the photo that has been in their system since November of 2002. If your ID card was issued prior to this period, you will have to appear at the ID Card Section in person to take a new photo. You cannot send in a passport photo or a jpeg file photo to update the picture.

ONLY cards issued after November 1, 2002, can be renewed this way. In all other circumstances, members will have to personally visit 1 P.P.

Renewal of Transit ID card that is expired or nearing expiration.
The following procedure for ID Card renewal is to be followed for pre-merger retired Transit and Housing PD that live out of State. RSA members should no longer send their ID card renewals to the RSA ID Card Desk. The below guidelines only apply to Transit and Housing ID Card renewals.

For the retirees that live out of state, the members can email a copy of their driver's license and ID card and in the body of the email they can put their name, address, and a phone number where they can be reached. Also, the member needs to attach a digital photo (jpg file) of themselves from the waist up in front of a red or a neutral-colored background (please no hats or sunglasses).

If you have any questions regarding this procedure, call the NYPD Transit Bureau Personnel Unit at 1-718-610-4660 and they will be more than happy to walk through the process. Their email address is TBHQPERSONNEL@NYPD.ORG. Police Officer George Bazile is the contact person for retiree ID cards.

HR 218/LEOSA QUALIFICATIONS
Regarding HR218/LEOSA qualifications, if your ID card does not have an expiration date, it does qualify as a valid ID card under the provisions of the laws. Unless you want to get a current photo on your ID card, you are not required to do so to satisfy the qualification. Also, remember that some out-of-state police departments that do the qualifications will require a current ID card so make sure that you check your expiration dates.

A completed PD form MUST accompany the card. The form is on the accompanying page of this procedure and can be downloaded from our website: nationalnycpd10-13.org of the individual club's website.

Additionally, ID card expiration date will be increased from 5 to 8 years.

If your card has no expiration date, you do not need to have a new card issued. Your card is perpetually current- Keep it.

To ensure security in the transfer of cards to and from our members the following procedure MUST be adhered to: Items **MUST** be sent to the National in a USPS Flat Rate Priority Mail envelope. You will receive a tracking number from the post office. **DO NOT REQUEST SIGNATURE OF RECIPIENT**. The postage is **$11.95**

Place in the envelope: your PD ID card, the completed PD Form, and a check in the amount of **11.95** made out to National 10-13 (to cover the cost of priority mail return of your new card).
Address to:
National 10-13
ID Card Desk
392 Colon Avenue
Staten Island N.Y. 10308

You can contact Larry Kelly at lkelly.rsa@gmail.com.
Please allow for up to a 30-day turnaround time.
Please, do not deviate from the above instructions.

LINE ORGANIZATONS

Dear CEA member:

Contract
We will receive our final 4% pay increase on September 22, 2026, which will be reflected in the October 9, 2026 paycheck.

Uniform Check
The $1,015.00 **tax free** uniform check is on schedule to be sent out early December.

By-Laws
The by-law vote was approved by 186 in favor and 21 not in favor. These changes will allow the board of directors more flexibility in union matters. Thank you for your attention and participation.

Albany
We were able to lobby Albany and get tier 3 back to a 20-year pension. In addition, tier 3A is now a 3-year average instead of a 5-year average final salary.

The WTC verification bill was signed by the governor last year and it is allowing members of the NYPD to apply for a WTC disability with a timely filed Notice of Participation.

The CEA board will be in Albany this legislative session to lobby our elected officials to enhance our benefits.

The tier 2A bill that would allow members to have the option of calculating their pension either using final year salary or a three-year average and the 65-year-old bill raising the mandatory retirement age to 65 are awaiting governor's decision.

Teams Meetings
We have had meetings with the department on the issue of Teams meetings while off duty or on regular days off. The preference for our collective bargaining unit is not to attend any meeting while we are off. If you are required to attend a team's meeting while you are off duty, the CEA contract allows you to submit for overtime at the straight time rate.

Cea Cards, Dues, Membership Card And Pac Contributions
This year all active and retiree members will be able to order the above items online. Lifetime members will still receive a mailing to their home and will have the option to order by mail or through the CEA store. We will send you an E-Mail to let you know the CEA store is open.

Cea Hotline
The CEA hotline number is 212-330-0032 in case you need assistance from the union. The hotline number operates 24/7 365 days a year and a board member is always on call.

For routine information you can call the CEA office at 212-791-8292 from 9am-4pm.

Retiree Prescriptions For Dependent Children
Beginning November 1, 2026, and ending December 15, 2026 will be open enrollment for the 2027 retiree prescription for dependent children. This is a strict enrollment period, if you submit past December 15th deadline there will be an additional administrative charge. A mailing will be sent mid-October for enrollment online.

One dependent child is $216 a year.
Two dependent children is $288 a year.

For retired members, prescription drugs are covered until the end of the year your child turns 23. Dental and optical ends the end of the month when your child turns 23.

ANNUITY FUND
We are now collecting beneficiary information on your account with Principal. If you have not yet provided this information, please log into your account and submit it. In 2008 the annuity fund was valued at 108 million dollars, today we have approximately 950 million dollars in the account.

Part D Plan And Inflation Reduction Act
The inflation reduction act does not allow a Medicare eligible member to be covered by the active and non-Medicare SOC plan. You must be enrolled in a part D plan. The SOC has changed the Medicare eligible plan to be compliant with Medicare plan design, and we are now a Part D plan.

The trustees of the SOC have taken great strides to keep this plan intact and premium free. A commercial part D plan has monthly premiums and a $590 deductible for you and your spouse each year.

All part D plans do not allow coupons. Many of you have seen medications increase because of this. All part D plans including the SOC Medicare eligible plan have a $2100 ($2400 in year 2027) maximum out of pocket spend.

The trustees of the SOC monitor your benefits daily. We are happy this plan is working successfully and are always looking to improve benefits when we can.

Next Meeting
The next general membership meeting is Wednesday October 7th at 10 AM at Antun's. Flu shots will be available for active and retired members.

Important Legislative Update
Two Bills Signed into Law

Dear Lieutenant,

The LBA is pleased to announce that Governor Kathy Hochul has signed two important pieces of legislation into law that will benefit many of our members.

Tier 2A Pension Reform
This legislation permits NYPD members of all ranks hired on or after July 1, 2000, through June 30, 2009, to be treated for pension purposes, in the same manner as Tier 2 Lieutenants hired prior to July 1, 2000.

Affected Lieutenants who retire on or after the effective date of the legislation will have the same pension salary options available to Tier 2 Lieutenants. In addition to using the average salary of their final twelve (12) months of service to determine their pension, eligible members will also have the option to use:

- The average salary of their best three (3) consecutive calendar years; or
- The average salary of thirty-six (36) months immediately preceding their retirement date.

This is an important change that will provide greater pension flexibility and potentially benefit many of our members who fall within this hiring period.

Increase in Mandatory Retirement to Age 65
This legislation changes the mandatory retirement age from sixty-three (63) to sixty-five (65) for all members of the service of all ranks, regardless of their pension tier.

The LBA is proud to support legislation that improves the pension benefits and working conditions of our members. We will continue to advocate on behalf of the membership and keep you informed of additional developments as they occur.

Fraternally,
Louis Turco
President

OPTUMRX

Q: What will I need to do for mail order prescriptions?
A: In order to be eligible to enroll in OptumRx Mail Order Pharmacy, you must fill your prescription two times at the retail level. Once you have enrolled in OptumRx Mail Order Pharmacy, you will need a new prescription from your physician for up to a 90-day supply and mail it, along with the completed enrollment forms and correct copayment, to the mail order facility.

Q: How long will it take for my medication to reach me through mail order?
A: Prescriptions filled through the mail order facility should be received 10-14 days from the date the prescriptions are mailed.

Q: How do I obtain a prior authorization?
A: The OptumRx Prior Authorization Program can be initiated by either the pharmacist or the member contacting OptumRx Customer Ser- vice Center. OptumRx representatives will work with your doctor's office and pharmacy to obtain the information required.

Q: What if the drug that I need requires prior authorization and I cannot wait for the prior authorization to be reviewed?
A: Ask your physician if a drug sample is available or your pharmacy may provide you with a short-term supply. You will be responsible for the full copayment at this time. If the prior authorization is approved, your pharmacist can dispense the remainder of the prescription.

Q: What if my prior authorization is denied?
A: The Superior Officers Council Prescription Plan design includes medications that effectively treat most medical conditions. Most likely, there is an alternative product that may be prescribed by your doctor that will not require prior authorization. If no other options are available and the prescribed treatment is medically necessary, you have the option of appealing the denial.

Dear Fellow Sergeant,

The deadline to file a Notice of Participation in the Rescue, Recovery, and Clean-Up Operations at the World Trade Center Site has been extended to September 11, 2030.

In addition, the 25-year presumptive eligibility period for certain retirement benefits for injuries or illnesses related to the World Trade Center Rescue, Recovery, and Clean-Up Operation has been extended by 10 years to September 11, 2036.

All eligible members are urged to file their Notice of Participation as soon as possible.

The Mayor has been asking all city unions to agree to a pension restructuring plan that would spread out the city's contributions to fund future pension obligations over a longer period than currently scheduled.

Legislation introduced as part of the state budget would authorize all of the city's five pension systems to move forward with the plan, but only if the Pension Fund's Board of Trustees vote to approve it.

If this proposal comes before the Police Pension Fund, the SBA will vote against it. The PBA has already stated they will also vote against it.
Under current law, at least seven votes are needed for a resolution to be adopted. If all police unions vote against the restructuring plan, it will not be adopted by the Police Pension Fund.

At last week's Delegates meeting, we stated that we DO NOT believe this is in the best fiduciary long-term interests of SBA members, so we are OPPOSED to it being adopted.

We will keep you updated on all important developments regarding pension legislation in the state budget.
Thank you for your continued support.

Fraternally,
Vincent J. Vallelong
President

SBA WALL OF HONOR

For more than 150 years, Sergeants have been providing frontline supervision to the NYPD and many of its precursors, which have included, among others, the Municipal Police Department of New York, Metropolitan Police Department of New York, Brooklyn Police Department, and the Long Island City Police Department. During that time, numerous Sergeants and Roundsmen (who held a rank that was similar to Sergeant) have lost their lives in the performance of their duties.

Effective September 1st the new DEA dental provider will be MetLife Dental.

In July 2025, I notified the membership that a top to bottom review of all DEA funds, including the Health Benefit Funds, was performed. I also informed the membership that we discovered the Health Benefit Funds were operating in the red and in fiscal distress, relying on cash reserves to meet benefit expenses. (See July 2025 letter here: DEA_Dental_Benefits_7-1-25)

The Trustees of the Health Benefit Funds are legally and ethically bound in their Fiduciary capacity to take immediate action to bring expenses under control and in-line with the income of the Health Benefit Funds. It's important to point out that dues money paid by either active members or retired lifetime members is separate and apart from our Health Benefit Funds and is not used for health benefits.

As noted in the July 2025 letter, immediate action was being taken by increasing prescription drug copays for both active and retired members. This immediate action helped to reduce expenses but did not completely close the spending gap.

Last February, we replaced Express Scripts with Capital Rx as our prescription drug manager, which helped to further close the deficit however, a deficit gap still existed and further changes were warranted.

The Cigna plan provided good dental coverage with a cost of $12.5 million dollars annually to the Fund. The Cigna's plan was both free and unlimited, with no premiums for active and retired members. Understandably, member utilization was enormous, however our over-utilization caused significant losses to Cigna resulting in a renewal rate of an additional 220% in premium, which made the plan completely unaffordable. Renewing the Cigna plan at the elevated cost would have placed the prescription drug plan in serious jeopardy. Trustees had no choice but to explore other options that fit within the financial budget.

To emphasize the need for action by the Trustees, the Active and Retiree Health Benefit Plans receive approximately $29 Million Dollars per year from the City of New York in total. The cost of Cigna and Express Scripts was approximately $40 Million per year, which does not include expenses for optical, hearing aids, catastrophic coverages post 9-11 programs and operating overhead for the Funds.

Unfortunately, the Dental Plan changes are painful but necessary at this time and consistent with the Trustees' fiduciary responsibility to the Fund. On a good note, our move to Capital Rx is proving to be a positive one as our prescription drug costs are decreasing. Rest assured, if the financial situation of the Health Benefit Funds improve, changes will be made to enhance the dental benefit.

THIS AND THAT

IF A MEMBER DIES - INFORMATION TO THE SURVIVING SPOUSE OR FAMILY

(Hopefully Not Needed For A Long Time)

Too often spouses and families are left in a quandary upon the death of a loved one. Few situations in life are more stressful than when a spouse passes. All too often we have a difficult time focusing on the issues at hand and need guidance to get the deceased affairs in order. The following is a general guide for the widow(er) or the decease's family regarding important notifications that must be made by the surviving spouse and information you should have on hand when a retiree dies.

I. PREPARATIONS BEFOREHAND

- **GATHER ASSETS - This doesn't mean piling them all together. It means getting a list of all the assets at the time of the decedent's death, along with copies of statements, deeds, etc. This information is needed for probate. It's also essential for filing federal and state estate tax returns, if required.**
- **REVIEW IRAs - If the surviving spouse is the beneficiary, decide whether to roll an IRA over to the surviving spouse.**
- **GET GOOD ADVICE - and get it now. The money you pay to attorneys and other advisers to resolve issues NOW can be much lower than if you deal with problems AFTER a person's death.**
- **In case of couples, usually most of the property is held in joint names and the survivor obtains same "by operation of law". However, there may be some items which were held in the name of the deceased only, and in that case it would be necessary to go to Probate Court to transfer ownership of that property, unless listed in a trust.**
- **GET ORGANIZED NOW - When someone dies, one of the big problems for beneficiaries is locating the things necessary to settle the estate. Make sure you know before the death occurs where to find the following documents and information. (This is just a partial list)**

1. **Will**
2. **Living Will**
3. **Trust**
4. **Deeds (if any).**
5. **Safe-deposit boxes (location of boxes, contents and keys).**
6. **Life insurance policies.**
7. **Funeral and burial instructions.**
8. **Names and addresses of creditors and debtors.**
9. **List of assets and where they are located.**
10. **List of all advisers (attorney, accountant, insurance agent, stockbroker, etc.).**

II. STEPS TO BE TAKEN AFTER DEATH - Notifications to be made:

1. **NYC Police Pension Fund (either in writing or by telephone)**
   233 Broadway, 25th Floor
   New York, New York 10279
   Attention: Retiree Death Benefits Unit
   Telephone (212) 693-5607/5919

Contact the appropriate Union for a possible existing life insurance policy and also for continuation of optional benefits, if qualified.

- **Police Officers - Patrolmen's Benevolent Association (PBA) at (212) 233-5531**
- **Detectives - Detectives' Endowment Association (DEA) at (212) 587-9120**
- **Sergeants - Sergeant's Benevolent Association (SBA at (212) 431-6555**
- **Lieutenants and above - Superior Officers Council (SOC) at (212) 964-7500**

2. **Contact the NYC Health Benefits Program for Special Continuation of Coverage application (coverage for life) located at 40 Rector Street, 3rd Floor, New York 10006 (212) 513-0470.**

3. **Contact the NYPD Operations Unit located at One Police Plaza at (646) 610-5580, for pall bearers (Funeral Director will usually do this for you) for all five boroughs, all of Long Island and Upstate New York, but not beyond Dutchess County.**

4. **Contact Fraternal Organizations to arrange for visitors, Color Guard and possible insurance benefit.**

5. **Contact Social Security: (800) 772-1213 (Funeral Director will usually do this for you).**

6. If a veteran, notify the Veterans Administration at (800) 827-1000 for: Grave marker, Funeral Allowance and Flag (Funeral Director will usually do this for you).
   If can't find discharge papers or DD 214, you will need date of Enlistment, date of Discharge, Branch & Serial Number. If deceased had 100% disability for 10 years, spouse is entitled to an additional benefit.

7. Notify your Church or Temple for announcements.
   (Funeral Director will usually do this for you).

8. Health Insurance: COBRA (Consolidated Omnibus Budget Reconciliation Act of 1985) COBRA has a safety net. If spouse or dependent was covered under deceased's health plan they may continue coverage under COBRA for up to 36 months. New York State in 2001 amended the Administrative Code to continue Health Care Coverage for Surviving Spouses for Life (Download Information Regarding this Amendment). This enables the deceased's spouse and/or dependents to receive coverage at the group rate. The City and the Line Organization health benefits stop at the death of the members. The rate, though high, is cheaper than the non group rate. Call: NYC Employee Benefits (212) 513-0470

THIS INFORMATION PERTAINS TO COBRA
Police Officers & Firefighter surviving spouses are to follow this procedure
Attach a machine copy of the death certificate to a request for an application for COBRA FOR LIFE and send it to:

Retired Employees Benefits Section
Att: Linda Harris (Cobra for Life)
40 – Rector Street – 3rd Floor
New York, NY 10006

They will send the surviving spouse a pre-numbered application allowing the spouse to continue the health coverage the member had at a cost equal to 102% of what the City pays, which includes administrative fees. This is fairly reasonable. Applying for this must be done within 30 days. Benefits are retroactive if the surviving spouse requires medical attention during this interim period.

At this time if a member and spouse are of Medicare age, and reside in an area covered by Aetna, I would strongly recommend they choose that plan over GHI/EBC/CBP.

Also, they would need to consider the respective union plans as those plans would only be available for 36 months, and whether the health plan rider would be a better choice.

THINGS YOU WILL NEED
DEATH CERTIFICATES - Death Certificates are necessary in every step to the successful administration of a decedent's estate. (Usually Funeral will obtain certificates as part of his service at current cost). They are usually needed for:

Pension Bureau
Veterans Administration (if a veteran)
Motor Vehicle Bureau if auto was in deceased's name. 1 for each insurance policy.
Court (If probate is needed).
Your State Dept. of Revenue to obtain non-tax certificate if real property is involved.
Bank accounts held in Trust for another 1 for each account if property held in a Trust.
Personal Records.

Note: If estate is probated, some of the above will take a Letter Testamentary instead of a Death Certificate.

MARRIAGE CERTIFICATE (With Official Raised Seal):
Social Security, (not necessary if surviving spouse already receiving benefits)
Veterans Administration, if a veteran.

LETTERS TESTAMENTARY or LETTERS OF ADMINISTRATION:
Motor Vehicle Bureau, if auto is in the deceased's name.
One for each bank account
Brokerage house account (share of stock or bonds, etc. that were in the deceased's name alone)

DISCHARGE PAPERS: DD 214 - (Original needed)
Social Security, if spouse was not already receiving benefits. Remember that service time counts toward qualification. They will Photostat.
Veterans Administration, if a veteran

PAID FUNERAL BILLS:
1 copy for Pension Bureau

THIS AND THAT

OTHER THINGS THAT MAY APPLY (usually after burial)

Cancel any leases. (If your parent or loved one rented a home, cancel the lease after clearing out the furnishings)
Inform insurance companies.

File life insurance claims for any policies on the person's life, and request that the insurers send you Form 712, Life Insurance Statement (this is a statement about the life insurance that must be filed with the estate tax return).
Make sure the car insurance company continues to cover the person's car until it's sold or transferred to a beneficiary.

Make sure the homeowners policy continues to provide adequate coverage for the person's things until removed from the home.

Notify companies the person did business with.

Cancel credit cards, and close charge accounts.
Have airlines to transfer frequent-flier miles to the primary beneficiary. (Each airline has different policy concerning this issue. Check with carrier about rules)

Consideration should also be given to making pre-death funeral arrangements. This provision, no matter how painful, should be discussed by couples and by parents with their families. Too often, spouse and children spend much too much money on a funeral and do so without really knowing what were the deceased's wishes in this regard (Place of burial, Cremation, etc.)

Consideration should also be given to having a "Family Durable Power of Attorney" (Someone to take over your finances if you become incapacitated or incompetent)

There are no words of comfort at such a difficult time, however, if you have all the necessary information at the ready it will expedite any claim that is pending, make the process run smoothly, and your stress level can be minimized.
